

Dear Parents,
Warm greetings

We believe excursion is a way that helps kids to broaden their horizons and provide knowledge regarding all spheres of life.

Museums are centres filled with information designed to enlighten and educate the curious mind. Especially for children, museums introduce them to unknown world, spark their imagination and provide them with valuable learning experiences. That is why we organise regular excursion for our kids to promote learning through outdoor interactions, and experiences. To get knowledgeable exposure our students will be visiting

Railway Museum on 9th November, 2024 (Saturday) with their teachers.

- ❖ **Please don't send your ward if he/she is not well, as it will be long day for them.**
- ❖ **Kindly ensure your ward must come in proper school uniform with I-Card.**
- ❖ **Kindly send water bottle and lunch box along with your ward.**
- ❖ **Light snacks will be provided by school.**

The school timings for pick up in morning will be (i.e. 8:00 a.m.) and dispersal time will be 3:00 p.m.
