Chairman's Message

"The joy of learning is that it never ends; it evolves with us throughout our lives."

Sh. R. B. Gupta, esteemed Chairman of the J M International Group of Schools, is deeply dedicated to creating high-quality educational institutions. Here, education is seen not merely as the transfer of knowledge, but as a means to cultivate the skills to seek information, synthesize it thoughtfully, and encourage the development of constructive and innovative solutions.

Dear Parents,

We are a dedicated team of forward thinking educators committed to providing quality education that promotes peace, freedom, and the holistic development of our children's personalities.

At our school, students engage in learning experiences designed to help them acquire new skills and knowledge through carefully crafted educational programs supported by advanced technology. We are dedicated to nurturing each child's natural abilities, inspiring growth through self-discovery and exploration.

We envision our children as the architects of a vibrant new India, prepared to thrive in an evolving world. Our educational approach blends the aspirations of today's generation with the enduring values and traditions of India, aiming to cultivate responsible, compassionate global citizens.

I am confident that the strong foundation provided by JMIS today will serve as the cornerstone of their future success.

R. B. Gupta
Group Chairman
JM International Schools

From the Principal's desk

Dear JMIS Family,

As we step into the new academic year, I am excited to share some wonderful updates from our school. The months from July to September have been filled with enriching activities, accomplishments, and milestones, all contributing to our pursuit of educational excellence. Our students demonstrated their academic growth during the Cycle Tests, reflecting their hard work and dedication. We also had the privilege of hosting the Small Hand Big Art Inter-School Competition, where creativity and artistic talents flourished, with participation from students across various schools.

A highlight of the term was our Teachers' Day celebration, where the entire school came together to recognize and appreciate the passion and dedication of our teaching staff. Their unwavering commitment continues to inspire us all. We also celebrated a series of national and international days, which enhanced our students' understanding of cultural diversity and global citizenship.

To conclude the term, the Half-Yearly Examinations were conducted seamlessly, offering students a chance to reflect on their learning and set fresh goals for the coming months.

Thank you for your continued support as we look forward to another inspiring and successful year together!

Warmest regards,
Charu Srivastava

Through the Editor's pen

Welcome to the latest edition of our school newsletter! As we reflect on the months of July to September, we are excited to share the remarkable progress and vibrant activities within our school community.

This edition highlights the innovative strides made by our educators, who engaged in enriching professional development workshops focused on activity-based learning. These sessions have equipped our teachers with creative methodologies to make learning more dynamic and student-centered, fostering an engaging classroom environment.

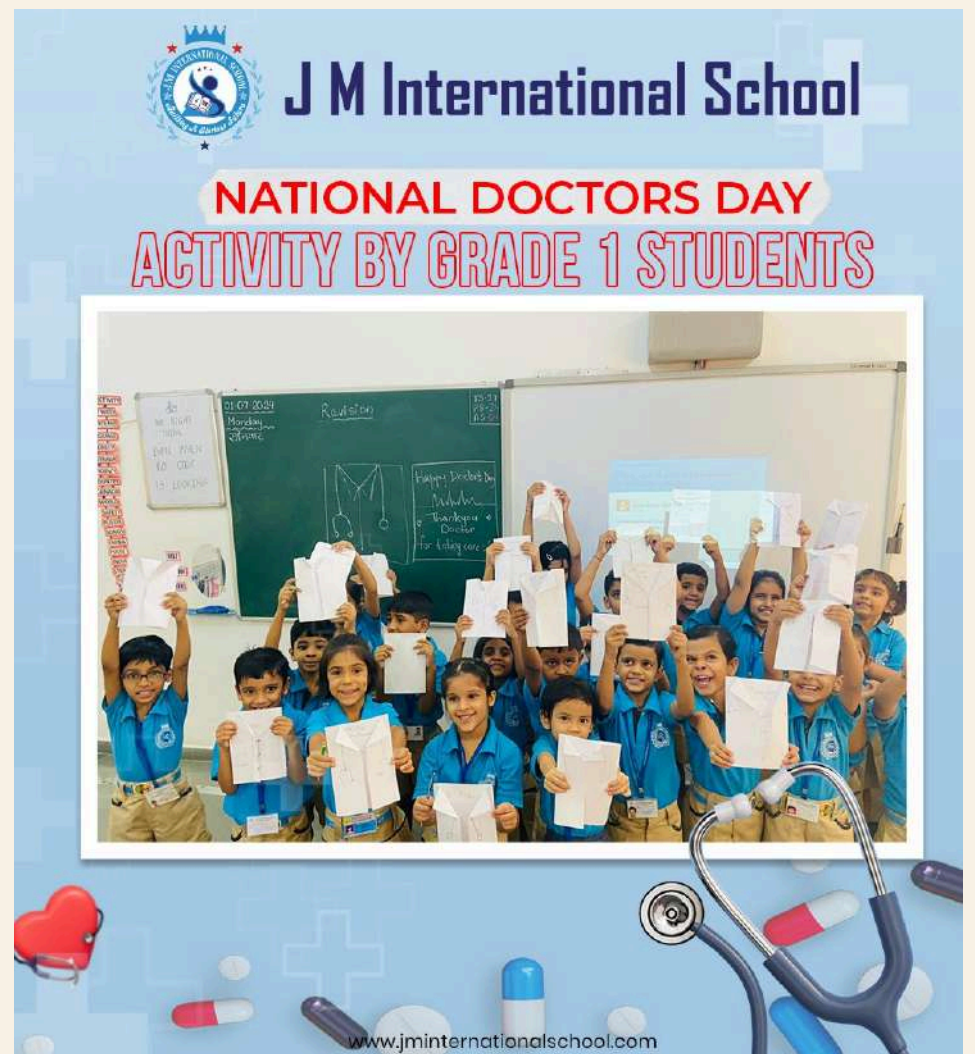

In addition, we warmly welcomed our students back after the summer break, with their enthusiasm setting a positive tone for the new academic year. From the Cycle Tests to the Small Hand Big Art Inter-School Competition, along with the celebration of Teachers' Day and several national and international observances, it has been a busy and rewarding period. We also successfully conducted the Half-Yearly Examinations, marking a significant milestone in the academic calendar.

We hope you enjoy reading this issue and look forward to an inspiring year ahead! Thank you for your continued support.

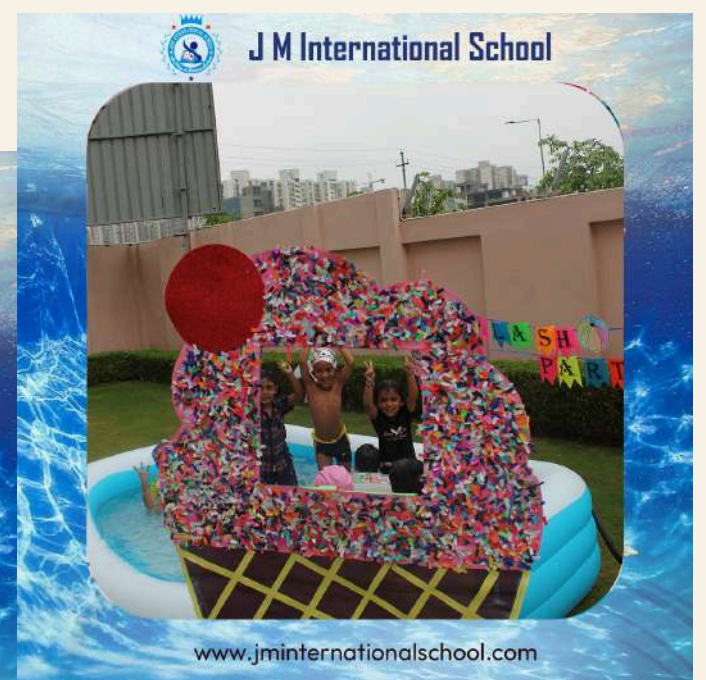

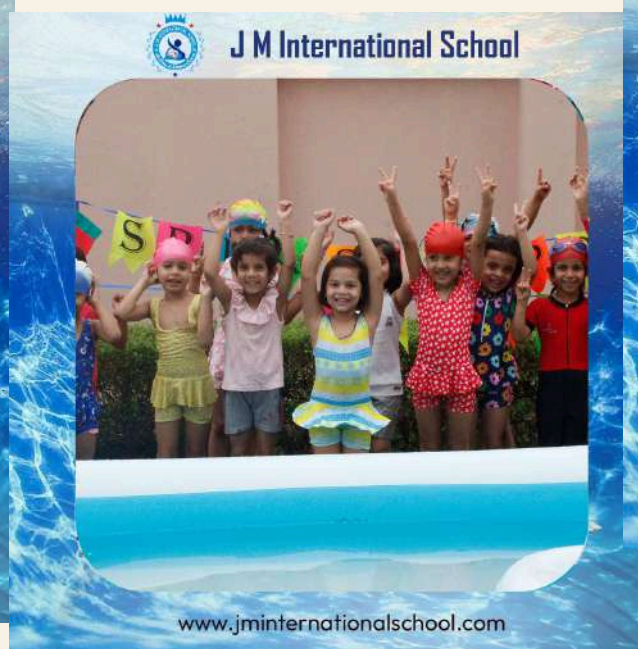

Happy Reading!
Editorial Team

Healthcare Heroes with Heartfelt Tributes

Our Grade 1 students paid a special tribute to the remarkable contributions of doctors through a creative and meaningful activity. Through vibrant projects and thoughtful messages, they expressed their deep appreciation for the vital role doctors play in keeping us healthy. This activity not only allowed our young learners to showcase their creativity but also helped them understand the importance of healthcare professionals in our lives. We're incredibly proud of our students for recognizing and honoring the dedication and hard work of doctors around the world.

Splashing Saturdays: Fun and Learning Unite for Our Little Champs!

Our young stars had an unforgettable time at the Splash Pool, diving into endless fun with water games and splashing around in pure joy! Saturdays are always something to look forward to, as they're filled with exciting club activities that blend fun with learning.

The Splash Pool activity was no exception, providing our little champs with the perfect opportunity to cool off, bond with friends, and enjoy a variety of water-based games. Laughter echoed as they paddled, splashed, and played, while also learning valuable skills like teamwork and coordination.

These special Saturdays not only offer fun and relaxation but also nurture creativity, confidence, and social skills in our young learners. We're delighted to see them embrace each activity with enthusiasm and joy!

"Honoring Generations: J M International School Celebrates World Senior Citizen's Day"

Students from J M International School marked World Senior Citizen's Day with a heartfelt visit to Sarvodaya Hospital, spreading joy and warmth to the elderly. Through meaningful interactions, they shared smiles, compassion, and learned valuable lessons about respect, empathy, and gratitude. The day served as a reminder of the powerful role community plays in fostering connection and support. The students left a lasting impression on the elderly, while also walking away with a renewed appreciation for the contributions of senior citizens. This heartfelt celebration emphasized the importance of honoring and caring for those who have paved the way for future generations, demonstrating that even small acts of kindness can have a profound impact.

Tree Plantation and Cleanliness Drive

Our school is proud to collaborate with the Noida Authority on this hands-on initiative, which highlights our commitment to fostering environmental responsibility and promoting community service among our students. Through this program, we aim to instill in our young learners a deeper understanding of the importance of environmental conservation and the impact their actions can have on their surroundings.

This initiative serves as an excellent platform for students to actively engage in activities that contribute to the well-being of their community, while also learning valuable lessons about sustainability. By participating in this project, students will not only gain practical knowledge about environmental care but also develop a sense of responsibility and teamwork.

We believe that nurturing these values from a young age will empower our students to become conscientious citizens, making positive contributions to society both now and in the future. This initiative aligns with our broader mission to shape responsible, thoughtful, and engaged individuals.

World of Science

Curiosity meets discovery as our Grade 5 students embark on an exciting journey into the microscopic world, exploring the fascinating realm of microorganisms. With eager minds, they delve into the wonders of science, unlocking the secrets hidden in tiny organisms that play a crucial role in our environment.

Through hands-on activities and engaging experiments, these budding scientists are gaining invaluable insights and skills that ignite their passion for scientific exploration. Their enthusiasm and inquisitive nature are paving the way for future discoveries. We're thrilled to witness their journey as they grow into the scientists of tomorrow!

Empowering Young Leaders: Investiture Ceremony Marks a New Beginning

At our Investiture Ceremony, we proudly celebrated the appointment of our newly elected school council, recognizing their leadership, responsibility, and potential. As these promising young leaders received their symbolic badges, it was a moment of empowerment, entrusting them with the duty to lead their peers with integrity and inspire positive change within the school community.

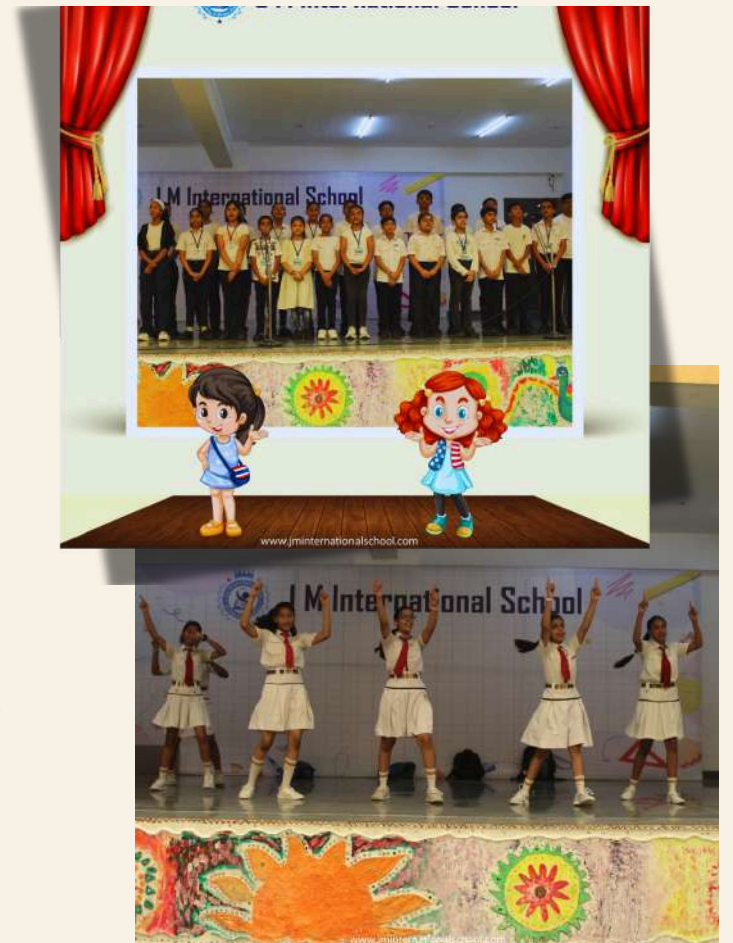

This significant occasion marked the beginning of their leadership journey, emphasizing the core values of accountability and service. With their new responsibilities, these students are now poised to take on challenges, foster collaboration, and contribute to creating a vibrant, inclusive school environment.

The ceremony was a reminder of the trust we place in our student leaders to uphold the school's values and work towards the collective good. We are confident that they will rise to the occasion and make a meaningful and lasting impact on the school and their fellow students.

Grade VIII Shines in Special Assembly Celebrating "Quality Education"

In a vibrant special assembly, our talented Grade 8 students mesmerized the audience with performances centered around the theme of "Quality Education." Taking the spotlight, they delivered compelling presentations that highlighted the crucial impact education has in shaping a better and brighter future for everyone. Through their dynamic performances, the students emphasized how access to quality education can transform lives and create opportunities for success. The assembly not only showcased their creativity and skills but also sent a powerful message about the importance of education in driving positive change for generations to come.

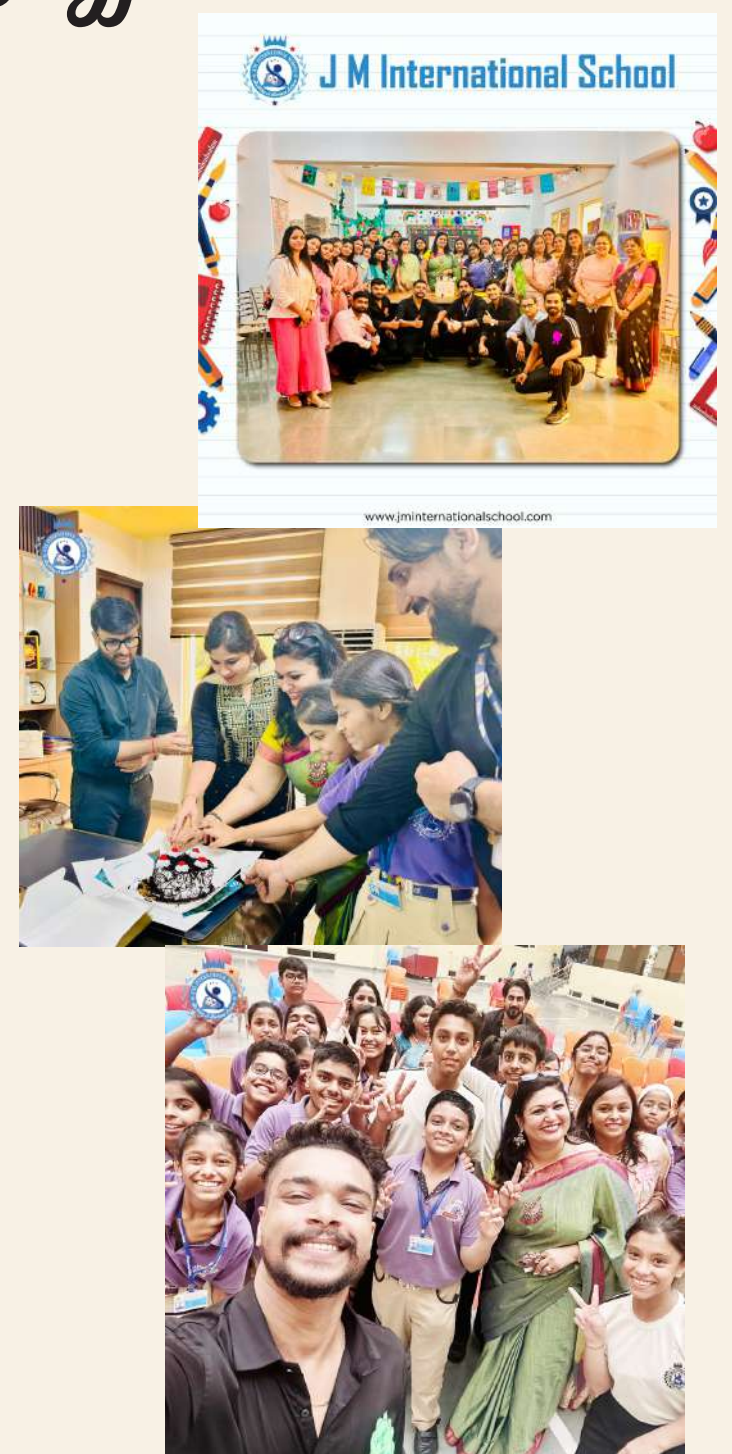

Honoring the Guiding Lights: A Joyful Teachers' Day Celebration 🎓 ✨

*Our Teachers' Day celebration was a heartfelt tribute to the incredible educators who illuminate the path of knowledge and inspire future generations. The day was filled with joy, gratitude, and special moments as students and staff came together to honor the dedication and hard work of our teachers.

Through touching speeches, performances, and tokens of appreciation, the celebration highlighted the invaluable role teachers play in shaping not only academic success but also the character and values of their students. Their unwavering commitment to nurturing young minds was recognized and cherished, making the day a memorable one for all.

It was a beautiful reminder of the lasting impact teachers have on the lives of their students, and a well-deserved celebration of those who continue to guide, inspire, and uplift every day!

Grade V Innovators Showcase Ingenuity in Robotics Model Making! 🤖

Our young innovators from Grade V Bhaskar recently demonstrated their impressive creativity and problem-solving skills during an exciting Robotics Model Making activity! Collaborating as teams, they applied their knowledge of science and technology to design and build remarkable robotic models. The event showcased not only their technical abilities but also their teamwork, critical thinking, and ingenuity. It was truly inspiring to witness how these students approached challenges, learned from one another, and turned their ideas into reality. Their enthusiasm and curiosity for robotics and technology were evident in every step of the process. This hands-on experience not only fostered collaboration but also ignited a deeper passion for learning, leaving no doubt that the future of tech innovation is in great hands. These budding engineers are well on their way to making a lasting impact in the world of technology, driving progress and creativity forward! 🚀

Aiming for Greatness: Young Archers at J M International

At J M International School, our aspiring archers are honing their focus, precision, and mental strength, while developing essential life skills such as patience, discipline, and resilience. Through their dedication to the sport, they are not only improving their athletic abilities but also building a strong foundation of confidence and perseverance. These valuable qualities extend beyond archery, empowering them to excel in all areas of life. As they master the art of aiming with accuracy and control, they also cultivate a mindset geared toward success and personal growth. Watching our young archers develop both on and off the field is truly inspiring. With each practice session, they are setting higher goals and striving for excellence in everything they do. Here's to our determined archers, continually aiming for greatness and embodying the spirit of achievement!

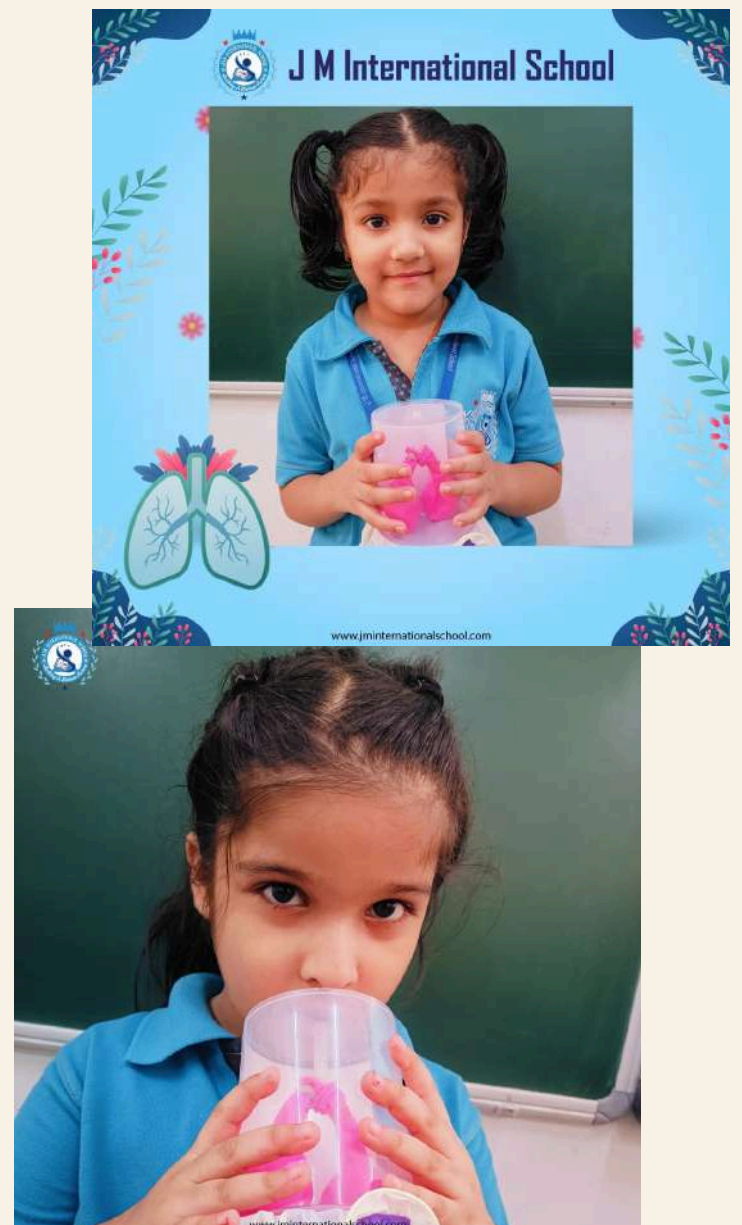

Celebrating Hindi Divas at J M International!"

J M International School recently celebrated Híndí Dívas with great enthusiasm, featuring a vibrant array of recitations, storytelling, and performances by our talented students. Their deep passion for the Híndí language was evident throughout the event, as they showcased their skills and creativity with confidence and pride. Each performance beautifully captured the essence and richness of our national language, leaving the audience inspired and filled with appreciation for Híndí's cultural significance. The students' heartfelt efforts highlighted not only their linguistic abilities but also their respect and love for India's cultural heritage. It was a proud moment for the entire school community to witness our young learners embracing and honoring their roots with such energy and dedication. Through their dynamic presentations, they reminded everyone of the importance of preserving and celebrating our mother tongue. We couldn't be prouder of their efforts in making Híndí Dívas a truly memorable occasion!

Grade 1 Students Explore the Wonders of the Human Body in Robotics Lab!

Our enthusiastic Grade 1 learners are bringing their lessons to life in exciting ways! During a recent session in the Robotics Lab, students had the opportunity to explore a dynamic model of human lungs, offering them a fun and interactive way to learn about the inner workings of the body. This hands-on activity not only sparked their curiosity but also deepened their understanding of the respiratory system through a visual and engaging approach. As they observed how the lungs function, the students were fascinated by how air moves in and out of the body, helping them grasp the vital role of breathing in keeping us healthy and active.

This immersive experience allowed our young learners to go beyond textbook learning, encouraging them to think critically and ask questions about how our body operates. By making science tangible and interactive, the session fostered a love for discovery and exploration, empowering them to connect classroom knowledge with real-world applications in a meaningful way.

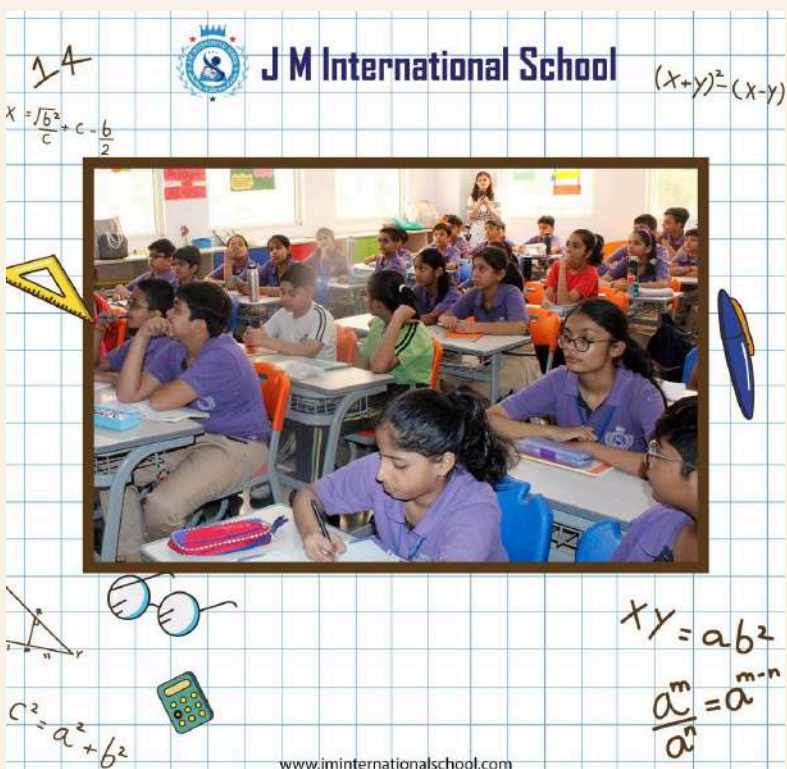

Explore French Culture at Our Vibrant French Exhibition!

Experience the allure of France at our vibrant French Exhibition, where our talented students showcase their creativity through stunning interpretations of iconic French landmarks and masterpieces. From intricately crafted models of the Eiffel Tower to remarkable recreations of world-famous artworks, each display reflects the students' passion for French culture. This immersive event invites you to step into a world of art and architecture, celebrating the rich heritage of France. Come and explore their imaginative works, which highlight not only their artistic skills but also their appreciation for the beauty and history of French traditions. Join us for an unforgettable journey through the sights and sounds of France, where creativity knows no bounds! Whether you're an art enthusiast or simply curious about French culture, this exhibition promises to inspire and captivate all who attend. Don't miss the chance to celebrate the spirit of France through the eyes of our talented students!

Math Skills and Exam Strategies Unveiled! 🌟

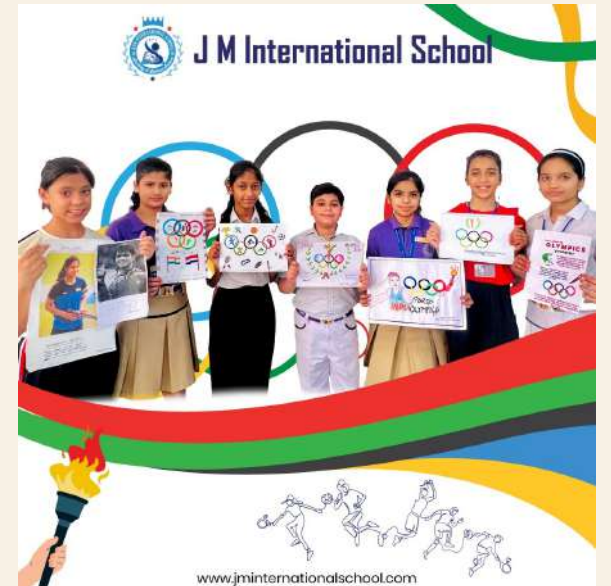

Our Grade 6 and 7 students had the wonderful opportunity to learn innovative math strategies in an engaging session led by the esteemed Rupa Guha Ma'am, in collaboration with Career Launcher. This dynamic workshop provided them with effective techniques to enhance their mathematical skills, giving them the tools to approach their studies with greater confidence and precision. The students were excited to discover new ways of solving problems, which will undoubtedly support their academic growth and success.

Simultaneously, our Grade 8 and 9 students participated in a transformative workshop designed to help them tackle their upcoming board exams with confidence and focus. The session equipped them with practical strategies to overcome exam challenges and manage their time effectively, enabling them to approach the board exams with a well-rounded understanding of how to succeed under pressure. At J M International School, we are deeply committed to fostering academic excellence and empowering our students to approach every challenge with the skills and confidence they need to thrive. Through these enriching sessions, our learners are gaining invaluable tools to not only excel in their studies but also develop a lifelong love for learning and problem-solving. We are proud to support them on their journey toward success!

Celebrating Our Olympic Champions Through Art!

Our students proudly celebrated our Olympic champions by capturing the essence of the Games through their artistic creations. Using various art forms, they honored the dedication, perseverance, and achievements of our nation's athletes. Each piece reflects their deep admiration and evokes a strong sense of pride in our Olympic legacy. These artworks not only showcase the students' creativity but also serve as a tribute to the hard work and commitment of our champions. Join us in recognizing the incredible spirit of the Olympics as expressed through the talent and passion of our young artists! Their work inspires and uplifts us all.

Creative Minds at Work: Unleashing Artistic Talents!

Our students recently had a wonderful experience tapping into their creative spirits during Pidilite's exciting craft activity! This vibrant event was a true celebration of artistic expression, offering students the chance to explore a variety of crafting techniques, from painting and cutting to assembling unique creations. It was an opportunity for them to dive into their imaginations and experiment with different materials, transforming simple supplies into colorful and eye-catching masterpieces.

As the activity progressed, the students eagerly worked on their individual projects, showcasing their artistic talents and personal flair. The room was filled with energy and excitement as they shared ideas, collaborated with classmates, and found inspiration from one another. It was heartwarming to witness their creativity in action as they embraced the process of crafting and explored new ways to express themselves.

The hands-on experience not only nurtured artistic growth but also promoted teamwork, problem-solving, and innovation among the students. The atmosphere was filled with joy and excitement, creating a positive and inspiring environment for everyone involved. The collaborative nature of the activity allowed students to share ideas, learn from one another, and explore their creativity in new ways. This engaging craft session left students with a strong sense of accomplishment and a deeper appreciation for the creative process.

It was truly rewarding to see how the students embraced the challenges of crafting and turned simple materials into impressive works of art. Their enthusiasm for the activity was contagious, sparking inspiration throughout the room. We are excited to witness how they will continue to apply their artistic skills and bring their imaginative ideas to life in future projects!

Origami Art Activity Brings Creativity to Life

Our Grade I Amaltas students recently enjoyed an exciting and hands-on ****origami art activity**** that sparked both their creativity and imagination. The young artists enthusiastically crafted a variety of stunning origami pieces, showcasing their growing artistic talents and love for creative exploration.

This engaging activity not only fostered self-expression but also played an important role in enhancing the students' ****fine motor skills****. Through folding and manipulating paper, the children developed better hand-eye coordination, focus, and patience, all while having fun. The colorful origami creations, ranging from animals to intricate designs, were a reflection of their innovation and enthusiasm for learning.

It was a delightful experience for everyone involved, allowing the students to explore the world of art through an ancient technique that continues to inspire across generations!

Students Celebrate Cultural Heritage Through Ganesh

Sculpture-Making!

Our Grade VIII students immersed themselves in a delightful ****Ganesh sculpture-making activity****, where their artistic talents truly shone! With creativity and dedication, they skillfully molded intricate sculptures of Lord Ganesha, blending art with a deeper understanding of cultural traditions.

This hands-on activity not only allowed them to explore their artistic abilities but also provided a meaningful lesson in the ****importance of cultural heritage****. As they shaped their sculptures, students learned about the symbolism and significance of Lord Ganesha in Indian culture, deepening their appreciation for traditional arts.

The experience was both enriching and enjoyable, encouraging students to express themselves artistically while staying connected to their roots. It was a wonderful blend of creativity and cultural learning, leaving a lasting impression on everyone involved.

Grade II Students Champion the Swachh Bharat Initiative! 🌍❤️

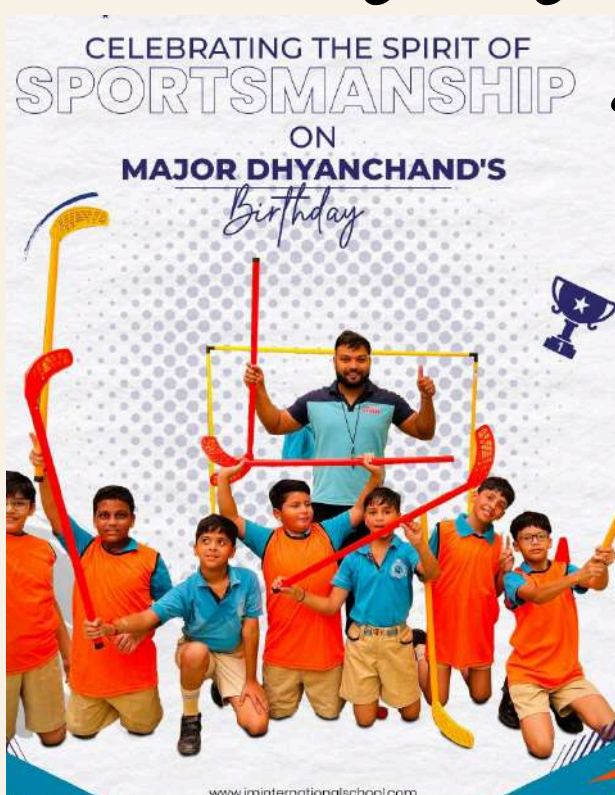

Our Grade II students actively took part in the Swachh Bharat initiative, demonstrating their strong commitment to keeping our environment clean and healthy. Their dedication to environmental stewardship is truly inspiring, proving that even young minds can lead the charge toward a cleaner, greener India.

Through their efforts, these young champions are raising awareness about the importance of cleanliness and sustainability within our communities. Their enthusiasm and hard work highlight the vital role that each of us plays in protecting our planet for the future.

Let's come together to support and encourage these remarkable efforts as they take steps toward a more sustainable tomorrow. By following their example, we can collectively work toward creating a healthier and greener planet for future generations. Their actions remind us that meaningful change begins with small, thoughtful acts of responsibility and care for our surroundings.

"Scoring Big on Sportsmanship: A Tribute to Major Dhyan Chand's Legacy!"

JM International School celebrated the legacy of sportsmanship with a day of energy and excitement in honor of Major Dhyan Chand's birthday! Our students enthusiastically displayed their athletic abilities and team spirit, truly embodying the essence of sportsmanship. The event was filled with vibrant activities, where students not only demonstrated their sports skills but also learned the importance of teamwork, discipline, and perseverance. It was a fitting tribute to Major Dhyan Chand, as our young athletes embraced his values and passion for sports. The day was a wonderful celebration of athletic talent, unity, and healthy competition!

Empowering educators

Our Computer Science Department recently hosted an enlightening workshop on AI tools tailored for teachers at J M International School. This engaging session aimed to empower our educators with essential skills and knowledge.

Participants learned to recognize the significance of integrating AI into the teaching-learning process, discovering how these innovative tools can enhance classroom experiences. They explored various AI applications that make learning fun and engaging for students, allowing them to connect with the material on a deeper level.

Workshop on special needs awareness

We extend our heartfelt gratitude to Ms. Anamika Chauhan for leading an invaluable workshop focused on identifying children with special needs. This session provided our educators with essential tools and insights to better support their students.

Thanks to Ms. Chauhan's expertise, our mentors have enhanced their skills in several key areas. They learned how to identify and list the symptoms of common learning challenges, enabling them to recognize when a student may need additional support.

Additionally, the workshop emphasized that not all behaviors necessarily indicate special needs, helping educators approach each child with a more nuanced understanding. Furthermore, participants explored strategies to address the basic challenges faced by Children With Special Needs (CWSN), fostering an inclusive classroom environment. We are excited to see our educators apply this knowledge to create a more supportive learning atmosphere for all students!

Building Strong partnerships

At J M International School, we prioritize building a strong partnership with parents to enrich our students' educational experiences. Our recent CBSE workshop represented a significant milestone in this collaborative effort, providing parents with essential knowledge and resources to effectively support their children's learning journey. During the workshop, attendees explored the intricacies of the CBSE curriculum, learned about various teaching methodologies, and discovered strategies to reinforce learning at home. This initiative not only empowers parents to take an active role in their children's education but also strengthens the vital connection between home and school. By fostering open communication and collaboration, we ensure that our students benefit from consistent support, enhancing their overall learning experience. We believe that when parents and educators work together, it creates a nurturing environment that inspires academic success and personal growth for all our students. Together, we can make a lasting impact on their educational journey.

Empowering Educators with Experiential Learning!

A big thanks to Cambridge University Press for guiding our educators through an insightful session! They explored experiential learning, identified its key needs, and discussed the challenges of implementation. The session also highlighted practical, hands-on learning experiences and the adaptation of lesson plans to this innovative teaching approach. Our heartfelt appreciation goes to the mentors for their dedication to enhancing education and empowering our teachers with new strategies. Their commitment is instrumental in driving forward meaningful, engaging learning for our students, and we look forward to implementing these valuable insights in our classrooms!

Film appreciation workshop at JM International School

At J M International School, our educators recently participated in an inspiring Film Appreciation Workshop that featured the beloved animated film "Kung Fu Panda" and Rita Pearson's impactful TED Talk, "Every Child Needs a Champion."

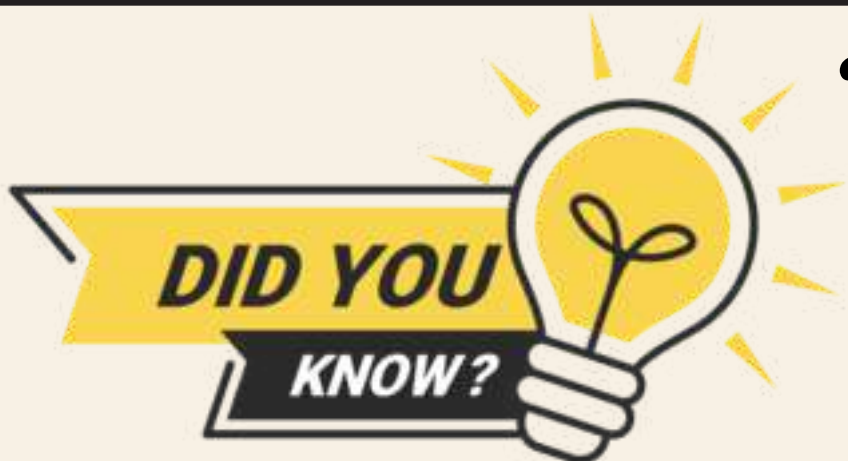

These engaging selections emphasized vital themes such as perseverance and the crucial role educators play in shaping the futures of young minds. Through discussions and reflections on the films, teachers explored how these lessons can be integrated into their teaching practices to foster resilience and support for their students.

The workshop provided a unique opportunity for educators to connect with their passion for teaching while gaining fresh insights on empowering their students. It was a memorable experience that highlighted the importance of nurturing and championing every child's potential!

RIDDLES

1. Give it food and it will live; give it water and it will die.
2. What can you catch but not throw?
3. I run, yet I have no legs. What am I?
4. Take one out and scratch my head, I am now black but once was red.
5. Remove the outside, cook the inside, eat the outside, throw away the inside.
6. What goes around the world and stays in a corner?
7. What gets wetter the more it dries?
8. The more there is, the less you see.
9. They come at night without being called and are lost in the day without being stolen.
10. What kind of room has no windows or doors?

Wirelessly-powered 'smart bandage' could provide drug-free wound care

A new generation of wirelessly-powered, eco-friendly "smart bandages" could revolutionize treatment for non-healing wounds by preventing infections without antibiotics, according to scientists from the UK and France. The innovative bandage uses ultraviolet (UV) light emitted by embedded LEDs to sterilize wounds, targeting bacteria and reducing the risk of antibiotic-resistant superbugs.

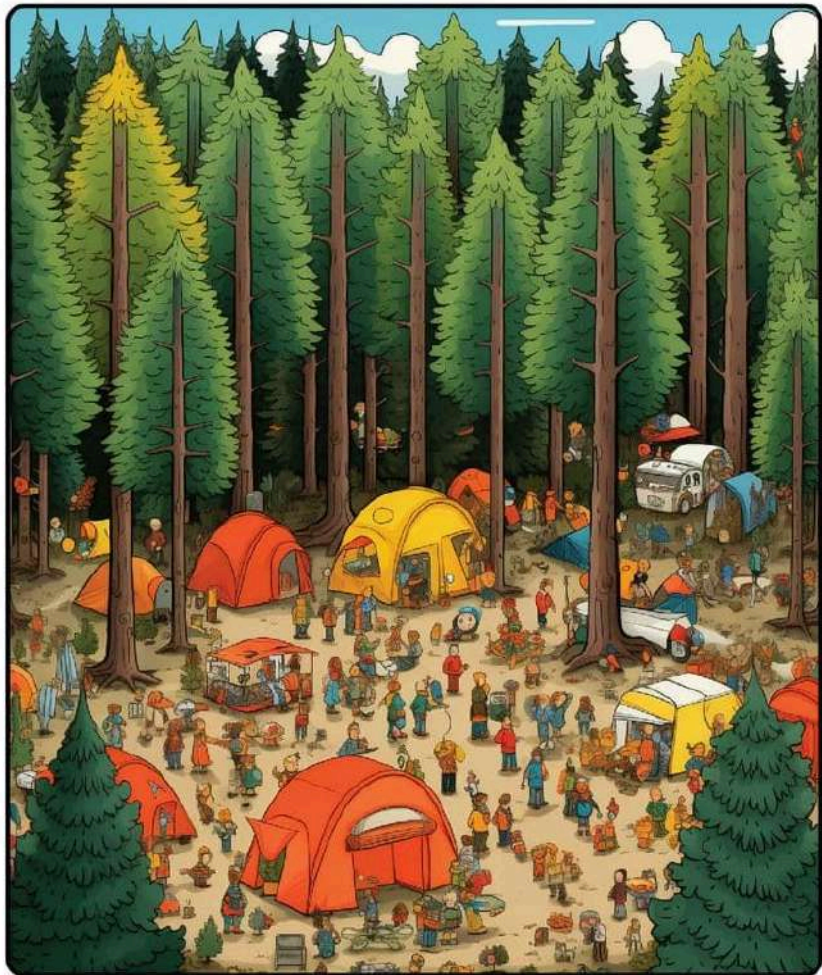

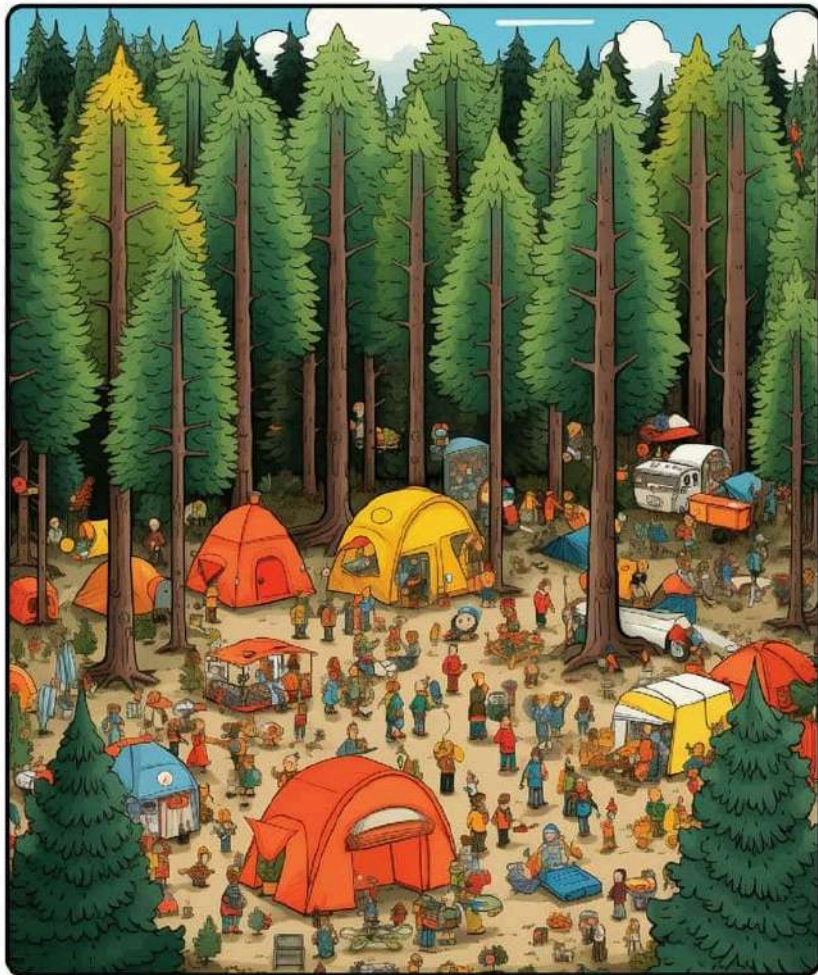

The device utilizes a flexible inductive coil that enables wireless power transfer via magnetic resonance, eliminating the need for batteries. Power is transmitted over the air from a second coil, allowing the UV LEDs to operate continuously as long as the coils remain in proximity. In lab tests, the bandage effectively eradicated a strain of gram-negative bacteria, *Pseudomonas* sp. D41, within six hours.

This breakthrough offers a drug-free alternative for chronic wounds, which are often caused by conditions like diabetes and cancer. The system's wireless power delivery, designed by Dr. Mahmoud Wagih from the University of Glasgow, addresses the limitations of traditional batteries in wearable medical devices, enhancing both comfort and sustainability.

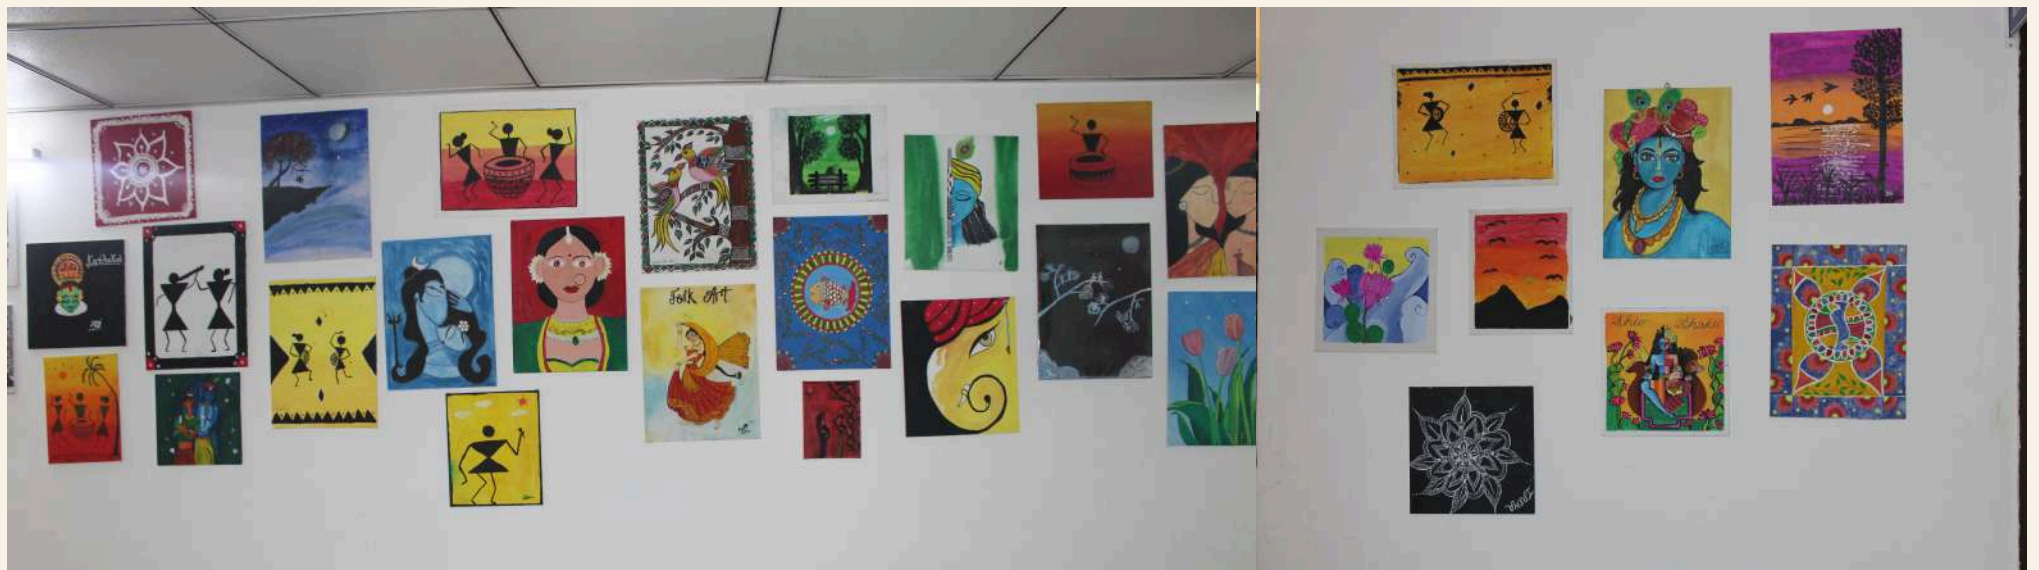

In a related study, the research team demonstrated the use of wireless power for heating elements in textiles, opening possibilities for energy-efficient medical applications and heated clothing. The bandage's development is a significant advance in smart healthcare technology, combining effective wound treatment with environmentally friendly power solutions. Future work will focus on integrating sensors and testing in clinical settings.

Spot The Difference Game

There are eight differences in the images below. Can you spot them all and win the game?

A Canvas of Creativity: Our Students' Art Wall

The vibrant art wall in our school has truly become a beacon of creativity and inspiration. Adorned with stunning artwork created by our talented students, it is a powerful showcase of imagination and artistic expression. Each brushstroke tells a story, each color brings life to our school environment. This beautiful display not only brightens our corridors but also reflects the diverse perspectives and talents of our budding young artists. We are incredibly proud of their efforts, and their work continues to inspire all who pass by.

Let this wall stand as a testament to the power of creativity and the endless possibilities that art brings into our world!

Feel free to adjust this based on your preferences!

Explore the vibrant world through the lens

Welcome to the vibrant world of J M International School's Photography Club, where our students capture the spirit, diversity, and creativity that make our campus extraordinary! Through each photograph, members of the club showcase the heart of our school—highlighting moments of joy, curiosity, and the everyday scenes that often go unnoticed but are filled with meaning. From the peaceful scenes of a morning assembly to the energetic moments on the sports field, our students document the special character of our school community.

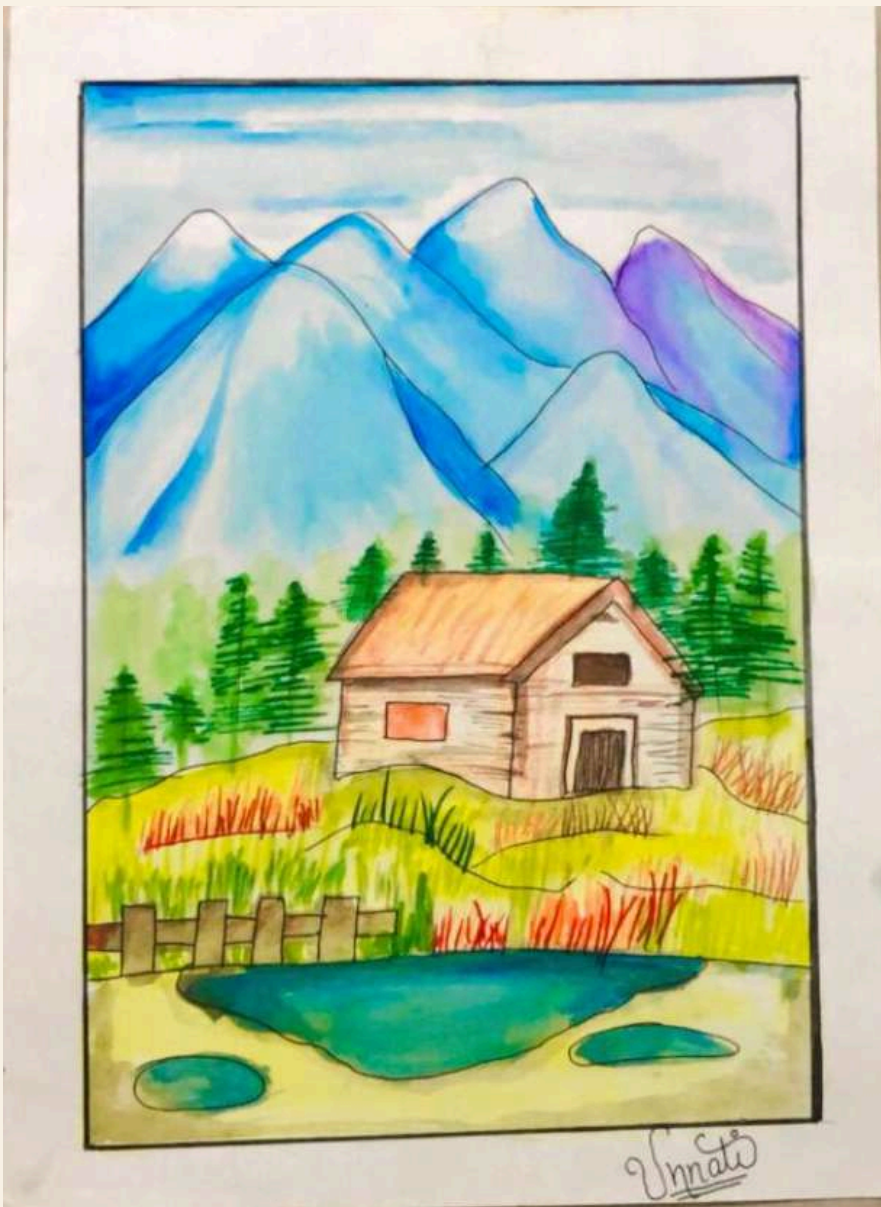

The Photography Club is more than just a space to learn technical skills; it's a platform that encourages students to look at the world from fresh perspectives, to notice the details, and to appreciate beauty in both the simple and the extraordinary. Each snapshot is a creative expression, reflecting the personal vision and unique perspective of its photographer. As they explore the art of photography, students learn not only to capture images but also to tell stories, convey emotions, and share their experiences.

Join us on this visual journey and discover the world of J M International School through the eyes of our talented young photographers!

Nurturing Compassion for Our Feathered Friends!

The Interact Club at J M International School has taken a creative step towards caring for nature by crafting beautiful birdhouses for our campus visitors! These thoughtfully designed birdhouses provide a cozy haven for visiting birds, bringing our students closer to nature and inspiring a sense of responsibility toward wildlife. This initiative is not only about giving birds a safe place to rest but also about fostering compassion and environmental awareness in our young learners. By participating in this project, students are learning to appreciate the importance of small actions in making a big difference to the environment. Each birdhouse is a symbol of our commitment to protecting the world around us and instilling values of empathy and stewardship. Join us in celebrating this small yet meaningful endeavor to create a more harmonious environment for all living beings!
