

Educational Tour Report: Chandigarh

Dates: 15th November 2024 to 17th November 2024

Classes involved: III to V

Total Participants: 40, 4 teachers

Introduction

Our recent three-day educational tour to Chandigarh was unforgettable. It combined fun, learning, and exploration. With meticulous planning and flawless execution, the tour was both enriching and enjoyable. Mr. Arun Phogat, our guide, added to the experience with his exceptional knowledge and friendly demeanor.

Itinerary Overview

Day 1:

- Arrival at the hotel.
- Visits to Bird Park, Rock Garden, and Sukhna Lake.

Day 2:

- Visits to Chattbir Zoo, Government Museum and Art Gallery, and Pinjore Garden.

Day 3:

- A visit to the Kurukshetra Science Museum, known for its engaging, interactive exhibits.
- Departure after a day filled with knowledge and fun.

Key Highlights of the tour

1. Immersive Learning Experiences:

The Rock Garden and Science Museum provided unique insights into art and scientific innovation.

2. Nature and Wildlife Encounters:

From the Bird Park to the Chattbir Zoo, students witnessed biodiversity and the importance of conservation efforts.

3. Cultural and Architectural Appreciation:

The well-planned city of Chandigarh showcased India's modernist architectural legacy.

4. Relaxation and Recreation:

Activities at Sukhna Lake and Pinjore Garden gave the group moments of leisure amidst nature.

The educational tour to Chandigarh was a remarkable success, combining meaningful learning experiences with moments of relaxation and discovery. It provided participants with invaluable insights into the city's architectural brilliance, cultural heritage, and scientific advancements. The carefully curated itinerary ensured that students explored diverse attractions and developed a greater appreciation for art, nature, and knowledge.

The trip fostered teamwork, critical thinking, and observational skills, leaving everyone enriched and inspired. With its perfect balance of education and recreation, this tour stands as a testament to the value of experiential learning, setting a high standard for future excursions.
