

## **Educational Trip to Maruti Suzuki Premises by DPS Maruti Kunj Students**

**Date:** 3rd and 4th December 2024

**Venue:** Maruti Suzuki India Limited Premises, Gurgaon

An educational trip was organized for the students of DPS Maruti Kunj to the Maruti Suzuki India Limited premises in Gurgaon on the 3rd and 4th of December 2024. This two-day excursion aimed to provide students with practical exposure to the functioning of one of India's leading automobile manufacturers.

The visit began with a warm welcome by the Maruti Suzuki team, followed by an informative session on the history and evolution of the company. Students learned about Maruti Suzuki's significant contribution to the Indian automobile industry and its global presence.

During the plant tour, students witnessed the cutting-edge manufacturing processes involved in car production. They observed various stages, including assembling, quality checks, and testing, all performed with remarkable precision and efficiency. The team also demonstrated the company's commitment to sustainability and innovation through its eco-friendly practices and advanced technologies.

In addition to the technical aspects, the students gained insights into the importance of teamwork, time management, and safety protocols in an industrial setup. The interactive Q&A session allowed them to clarify their doubts and engage with experts from the field, making the experience both educational and inspiring.

This trip provided a valuable platform for students to connect theoretical knowledge with real-world applications. It not only broadened their understanding of automobile engineering and manufacturing but also motivated them to explore career opportunities in this dynamic sector.

The management of DPS Maruti Kunj extends heartfelt gratitude to Maruti Suzuki India Limited for hosting such an enlightening program and hopes to collaborate on more such endeavors in the future.
