

# DELHI PUBLIC SCHOOL MARUTI KUNJ FRENCH EXCHANGE PROGRAM

(Under the aegis of the Delhi Public School Society, Delhi)

Dear Parents,

We believe that foreign language has always been a valuable asset. We are delighted to share with you that our school has collaboration with a school in France situated in Cognac city, marking another significant milestone.

To celebrate this achievement, a felicitation ceremony was conducted on 10th December 2024 in the school auditorium. The six-month program enriched students' knowledge through various themes, and provided opportunities for them to interact in both English and French, ultimately boosting their confidence levels and making them more independent.

The ceremony was graced by the esteemed parents. During the ceremony, awardees were felicitated with trophies, certificates, and gifts. The event was a true exchange of ideas between both the countries about the expressions and a showcase of their talent.

Such collaborations have always inspired our learners to uplift themselves and adapt to societal expectations.

DPS Maruti Kunj always believes in holistic development of students and cultural view of education where we strive to develop the child-intellectually, emotionally, physically and socially in a nurturing and inclusive environment that values diversity and promote cultural understanding.

Thank you for your trust and continued support.

Regards

Principal
