Dear Parents

Celebrating Creativity & Cleanliness!

We are delighted to share that DPS Maruti Kunj has sparkled brightly at the 10th All India Swachh Bharat Art Competition (2024-2025)!

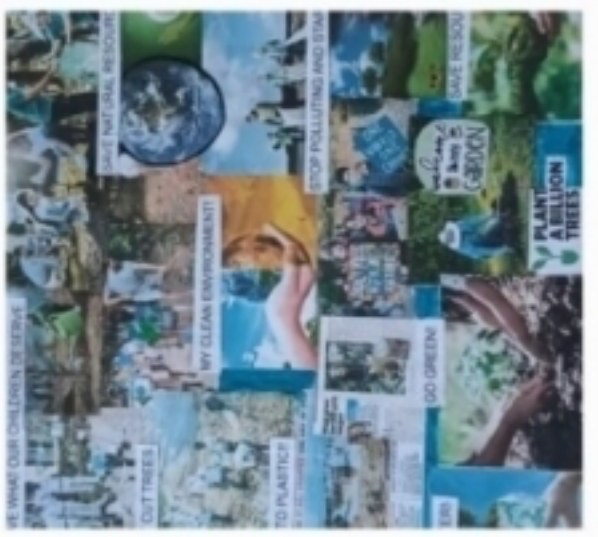
With 287 students participating enthusiastically, our young stars showcased their artistic brilliance and dedication to the ideals of cleanliness and social responsibility. Their outstanding efforts have brought us 23 Gold Medals and 9 Trophies!

Adding to this proud moment, our Principal Sir was honoured with the **Inspiring Principal Trophy**, recognizing his visionary leadership. Additionally, the Teacher-in-Charge was awarded the title of **Inspiring Teacher**, appreciating their tireless efforts in guiding and motivating our students to excel.

This wasn't just a competition—it was a movement! From painting vibrant masterpieces to crafting impactful essays, our students proved that creativity can inspire meaningful change.

A big shout out to our young artists, Principal Sir and our dedicated teachers for upholding the spirit of Swachhata Hi Sewa and making us all proud!

Let's continue working together for a cleaner, greener and brighter future.

Warm regards


DPS Maruti Kunj Team
