

## Achievement in Inter-DPS Competition

We are overjoyed to share the incredible achievement of our student, **Krishna**, who has done us proud by securing the **second position** in the highly prestigious **Inter-DPS Competition**, held on **December 21, 2024**, at **DPS R.K. Puram**.

Krishna participated in the **'French Just a Minute'** category, a platform that demanded not only fluency and linguistic accuracy but also creativity, spontaneity, and confidence. Competing against some of the finest young talents from DPS schools across the country, Krishna's performance stood out for its eloquence, originality, and poise. Her ability to think on her feet and deliver her piece with flair left an indelible mark on the judges and audience alike.

This achievement is a testament to Krishna's hard work, perseverance, and passion for learning languages, particularly French. It also highlights the efforts of her teachers and mentors who have nurtured her talent and guided her in excelling at this challenging event.

Competitions like these not only showcase the brilliance of our students but also inspire others to step out of their comfort zones and embrace new challenges. Krishna's success reminds us of the limitless potential of our young learners when they are motivated to strive for excellence.

We congratulate Krishna on this remarkable accomplishment and thank her for bringing such pride and honor to Delhi Public School, Maruti Kunj. We are confident that this is just the beginning of many more achievements in her bright future.

Let us all join in celebrating Krishna's success and continue fostering an environment where talent and hard work are celebrated!
