

Sanskrit Week 2024

Celebrating the Timeless Essence of an Ancient Language

Delhi Public School, Maruti Kunj, celebrated Sanskrit Week from October 14 to 16, 2024, as part of the Third Language Week. The event aimed to deepen students' understanding of Sanskrit and emphasize its relevance in the modern world. Designed for students from classes 6 to 10, the week-long celebration provided a unique opportunity to explore the cultural, scientific, and literary significance of Sanskrit through a variety of engaging and thought-provoking activities.

Sanskrit and Science Understanding - Class IX E

Objectives of Sanskrit Week

The primary goals of Sanskrit Week were to:

- Enhance Awareness – Foster a deeper appreciation for the cultural and intellectual significance of Sanskrit.
- Promote Creativity – Encourage students to engage with Sanskrit in innovative ways, strengthening their connection to the language.
- Establish Interdisciplinary Links – Highlight the connections between Sanskrit and subjects like Science, Mathematics, and Computers.
- Foster Cultural Understanding – Provide insight into India's rich heritage through Sanskrit literature, arts, and traditional practices.
- Activities Conducted During Sanskrit Week
- A variety of interactive and immersive activities were organized, enabling students to explore Sanskrit from multiple perspectives:
- Shloka Chanting – Recitations from Stuti and the Bhagavad Gita.
- Sanskrit & Science Poster Making – Showcasing scientific concepts through Sanskrit references.

- Interdisciplinary Integration – Exploring the role of Sanskrit in Mathematics and Computers.
- Sanskrit-English Dictionary Development – Encouraging linguistic research and vocabulary building.
- Slogan Creation – Crafting impactful messages in Sanskrit.
- Role-Play in Sanskrit – Theatrical performances bringing ancient texts to life.
- Sphorak Patra Nirmanam (Sanskrit Chart Paper Making) – Creative presentations on Sanskrit themes.
- Bhatti Patrika Nirmanam (Wall Magazine) – Showcasing students' artistic and literary skills.
- Bulletin Board & School Board Decoration – Adorning the school with Sanskrit-themed displays.

Sanskrit Shloka Chanting -Class VI C

The Sanskrit coordinator meticulously evaluated students' contributions, assessing their creativity, effort, and depth of understanding. Personalized feedback was provided, encouraging students to continue exploring Sanskrit with enthusiasm and passion.
