

“The Best Education begins with a strong partnership between school and home”

Dear Parent,
Warm Greetings,

Heartiest congratulations!!! On your ward reaching another important milestone in their educational journey. As we begin the new academic session, we are delighted to invite you to the **Parent Orientation Program** for all new and existing parents of **Class II, scheduled for Saturday, April 19, 2025, from 9:00 am onwards.**

The objective of this session is to offer you a comprehensive overview of the academic structure, classroom routines, assessment methods, notebook usage strategies, and engaging classroom programs such as Word Journey, Thursday Activities, Karadi Path, Quality Circle Time, and many more enriching experiences that the school has planned for your child.

You would also be introduced to the class teacher and subject teachers of your ward on whom you would be entrusted with your child's academic and holistic development this year.

We highly encourage your presence, as this session serves as a platform to build a strong and collaborative parent-school partnership.

Please note:

- ✓ The Orientation Program is exclusively for **parents or guardians** responsible for the child's academic support at home.
- ✓ The **school will remain closed for students on this day.**

*Kindly confirm your attendance, as it will help us plan better and connect more effectively with you. Looking forward to an engaging and fruitful academic year ahead!
