HOLIDAYS HOMEWORK (2025-26)

CLASS-- PRE–PRIMARY

Sunny days and shiny rays, it's time to relax and rejuvenate. Relishing lemonades and watermelons, giggles with everyone and your mate. Pillow fights, squashes and ice-creams, an enjoyment of the chilled-out treats. We will enjoy our summers with a twist, as precaution and safety is on the to-do list.

This time the vacation is a little different. For our safety, we stay at home with our parents. We pledge to maintain distance, wash hands and wear mask, whenever required surely we will do this task. We have planned some fun filled activities to engage and encourage children during the summer break that will promote positive growth, health and happiness.

IT'S EXERCISE TIME…

In a digital world where children are spending more and more time looking at screens and less time playing outdoors, the problem of childhood obesity is becoming a growing concern. It is therefore extremely important to encourage a healthy and active lifestyle from a young age to try and reduce inactivity.
Facilitators may help children with these Animal poses Yoga exercises.
