

A vibrant summer-themed illustration. The background is a bright blue sky with white clouds. In the upper left, there are two green palm trees. Below them, a yellow beach umbrella with a red and white striped pole is partially visible. A large, stylized white banner with an orange border is positioned in the upper right. The banner contains the school's name and session information. Below the banner, the words 'Summer' and 'HOLIDAY' are written in large, colorful, stylized fonts. 'Summer' is in a yellow-to-orange gradient script, and 'HOLIDAY' is in red block letters. Two hibiscus flowers, one purple and one orange, flank the word 'HOLIDAY'. The background transitions into a blue ocean with white-capped waves. At the bottom, there is a sandy beach with a red starfish and several white seashells.

HOLIDAY

Dear Parents,

As the summer holidays arrive once again, they bring with them a much-needed break from the scorching heat. We hope your child uses this time not just for relaxation and fun, but also for learning through play and everyday activities. There are many simple ways to make learning part of daily life, and to support this, we've curated a set of engaging activities for your child.

We kindly ask for your cooperation in guiding, encouraging, and supporting your child during the holidays. Together, let's make this vacation both enjoyable and enriching for them.

Here are some tips to help make this break both joyful and meaningful:

 - * Make storytelling a daily habit.**
 - * Teach your child to care for their belongings.**
 - * Create a balanced routine that includes time for play, revision, and watching TV (preferably educational programs like Discovery Kids and Animal Planet).**
-
