

“People forget facts, but they remember stories.”

Katha Yatra-2025

**Dear Parents,
Warm Greetings**

We are excited to announce our upcoming **Story Character Competition** as a part of *Katha Yatra* an event celebrating learning and creativity! This is a wonderful opportunity for students to dress up as their story characters and share their love for them. The child has to speak 6-7 sentences about the character, highlighting the moral of the story. They are encouraged to come dressed up with their costume or use props to be their favourite character on **26th September 2025**.

Best regards,

(PRINCIPAL)
