

FOR CLASS- II
Circular No. SGS/107/25-26
Date: 24-10-2025

Dear Parents,
Warm greetings

Class presentation is a type of practice which makes students feel confident about what they are doing before they stand up and do it in front of other people. Keeping this view in mind, Scholars is all set to present a theme based presentation by **Grade- II** in first week of November. There will be 100% participation of the students of **Grade- II**. To make our celebration full of life and colour, our kids will wear the costumes as per their role and event in which they are participating. So kindly send **Rs.500/-** for the costumes and accessories to be used for the function.

The details of the programme will be informed soon.
Looking forward for the cooperation.

Best Regards

(PRINCIPAL)
