GLIMPSES FOR THE MONTH OF OCTOBER
SESSION 2025-2026

ACTIVITY/ ASSEMBLY	REPORT	GLIMPSES
<p>Relevance of ‘Pollution Free Diwali’ Activity (9.10.2025)</p>	<p>As part of our efforts to promote an eco-friendly Diwali, students of classes 3-5 participated in a literary writing activity on the theme "Pollution-Free Diwali." The aim was to inspire young minds to think creatively about celebrating festivals sustainably wherein the students discovered alternative ways to celebrate Diwali, such as using diyas, candles, and eco-friendly decorations.</p>	
<p>Illuminating the Way- Activity Toran, Diya and Candle Making (16.10.2025)</p>	<p>The school's initiative to celebrate Diwali through creative craft activities for junior school students was a wonderful way to educate them about the festival's significance while fostering creativity and cultural participation. By assigning specific decoration crafts to each class, the school encouraged teamwork and showcased the students' artistic talents.</p> <p>The activities, such as designing Torans for Class V, Diya Decoration for Class IV, and Candle Decoration for Class III, were thoughtfully planned to cater to different age groups and skill levels. The focus on safe and simple enhancements for Class III was particularly commendable.</p> <p>Overall, the initiative not only added to the festive spirit but also provided a valuable learning experience for the students.</p>	

Rangoli Making Activity	<p>The Rangoli Making Activity for Classes 3-5 was conducted to introduce students to traditional Indian art while promoting creativity and fine motor skills. Using colorful powders and patterns, students created vibrant designs, learning about Rangoli's significance in Indian culture and its role in festivals. The activity fostered teamwork, attention to detail, and self-expression, allowing students to connect with Indian heritage while showcasing their artistic talents.</p>
