WELCOME MESSAGE

Credence High School is a top CBSE (Indian Curriculum) affiliated school in Dubai, offering inclusive and holistic learning programs from Pre KG to Grade 12. We strive to deliver high quality education for diverse community in the UAE. As responsible educators, we equip are students with vital 21st century skills like critical thinking, emotional and social intelligence and resilience that will prepare them to face the future, no matter what it may hold. Apart from academic excellence, we nurture our students' personal development as well, encouraging them to explore their innate potential to the fullest. At Credence High School, we are creating a generation full of productive, contributing and fulfilled members of the society

– Abdulla Nalapad
Chairman

A WORD
From Our Chairman

"Education is the most powerful tool you can use to change the world" – Nelson Mandela.

It was the day I attained fatherhood it dawned upon me that the role of education in the life of a child is next to none. With this thought in mind and after years of relentless research into the educational landscape of the region and beyond, this dream turned into reality on 1st of April, 2014.

"The objective of education is to prepare the young to educate themselves throughout their lives."
We have entered interesting times in education, technology, communication, and ways of interacting are developing so quickly that we may be preparing our students for careers that don't yet exist. Our generation relied on the "three Rs" to prepare us for a successful life. The future will demand people who are flexible, effective problem-solvers, and able to think critically about the masses of information that they experience each day. In anticipation of this, we nurture our students to be adaptable, independent thinkers able to work effectively with others and imbued with a life - long curiosity and love of learning. These fundamental skills will help our students to meet the growing demands of an evolving world.

– Deepika Thapar Singh
CEO - Principal

OUR VISION & MISSION

Vision

To be an institution that nurtures free and happy minds thereby empowering students to excel and contribute to the society in the field of their choice.

Mission

Tailor an inclusive and supportive campus that offers a sense of belonging, happiness, physical safety and intellectual freedom to all of our students.

Harvest the innate talent of each child to build a school community of individual achievement and collective excellence.

Instill an acute sense of values and ethics in each of our students so they may be always known for their personal integrity and probity.

Nurture an international cross-section of students so they may learn to live in a globalized world and contribute in building a united, tolerant, caring society.

Kindle and keep alive the spark of curiosity in our students through the provision of ICT facilities and resources that support a research – oriented, independent and enquiry based learning.
