MATHS

☞ Revise Chapter-7: Measurement

☞ As part of our Ek Bharat Shreshtha Bharat activity, we will explore Maths through Delhi and the Andaman & Nicobar Islands.

Complete the following three activities neatly in on A4 sheets:

1 Number Facts:

Delhi has 11 districts and Andaman has 3. Find how many more districts Delhi has.

2 Shapes Around Us:

Draw or paste pictures of the Red Fort and beach huts of Andaman. Circle and name the shapes you see.

3 Money Math:

A keychain costs ₹25 and a shell necklace costs ₹40. Find the total cost.

Decorate your work neatly and write the topic on top.

Let's explore Delhi and Andaman through Maths!
