MESSAGE FROM THE TRUSTEE'S DESK,

Dear Students ,Parents, Faculty and Staff,

I am delighted to share with you the latest edition of our school magazine, a testament to the vibrant and dynamic community we have cultivated here at Arwachin School over a decade .This magazine captures the essence of our school's spirit, showcasing the myriad talents, achievements, and experiences that define our golden academic year.

This past year has been filled with inspiring achievements and significant milestones. Our students have demonstrated exceptional abilities across academics, sports, arts, and numerous extracurricular activities. Their dedication, creativity, and resilience continue to inspire us all.

Education at AWS extends beyond the classrooms. We are committed to nurturing well-rounded individuals who are prepared to make meaningful contributions to society.

Our emphasis on holistic development ensures that our students are not only academically proficient but also socially responsible, empathetic, and innovative thinkers.

I would like to express my deepest gratitude to our dedicated Faculty, and Staff, whose passion and commitment to education have been instrumental in guiding our students toward success. to our parents, thank you for your unwavering support and trust in our vision. Your partnership is vital in creating a nurturing and stimulating environment for our children.

To our students, you are the heartbeat of this institution. Your enthusiasm, hard work, and willingness to embrace new challenges make us proud everyday. Continue to strive for excellence, embrace your potential, and never stop learning

As you explore this magazine, I hope you feel a sense of pride and belonging. It is a celebration of our collective achievements and a shared journey of growth and discovery. Here's to the next 50 years of success, innovation, and inspiration at Arwachin Group of schools.

With best wishes

(TRUSTEE OF SCHOOL)

MESSAGE FROM THE CHAIRMAN'S DESK

The word 'Education' is the noun form of 'Educe'. To educe 'means ' to bring out' and so we believe in. The purpose of education is to induce creativity and charisma over knowledge and skills. Following which, a child's brain prefers to be a creator rather than a seeker. This naturally makes them more confident, decisive and opinionated.

Arwachin School believes that, "Heart of education is the education of the Heart". It is essential to realize that while imparting education, we propose to produce professionals who are not only competent but are deeply rooted to their culture.

Schools were once described as the future within four walls. That being true, we have the responsibility to make the most exciting, creative and secure places for our children while allowing them to enjoy every phase of their life. As a parent as well as the Chairman, I understand the responsibility and relevance of constructive thinking. Children being so flexible and adaptable, we completely recognize and acknowledge the importance of a quality education system. Since the inception of Arwachin School, we have always tried our best to combine academic excellence with the inner enfoldment of the student's personality. Our mission is to groom the young minds and hearts as the pillar of advancement of a nation and hope of the future .

Children are like buds in a garden and should be carefully and lovingly nurtured as they are the future of our nation and the citizens of tomorrow.

Arwachin School is working continuously and consistently towards providing value based education and laying special emphasis on character building while upholding high moral values. Our school aims at nurturing such qualities in a child which can help him/ her to face the hurdles of life boldly. Our vision is to 'Educate, Enlighten and Empower' the youth of our nation.

We work at implementing a well-balanced curriculum to ensure that the children who walk into the portals of our school will not just love their school years but truly be prepared to face life's challenges.

As the Chairman of this institution, I anticipate full participation and cooperation of the students, parents and the staff to make it possible for us to transform the dreams to reality. And if there is any assistance that you might need, may it be personal or professional, I shall always be willing to hear from you.

I wish you all the best!

Mr. Anurup Sharma
(CHAIRMAN OF ARWACHIN GROUP OF SCHOOLS)

MESSAGE FROM THE DESK OF MANAGEMENT MEMBER

Dear Students, Parents, Staff, and Valued Well-wishers,

It is with great pleasure and a profound sense of gratitude that I address you through the pages of our school's annual magazine for the academic year 2025-2026. This publication is a testament to the hard work, creativity, and vibrant spirit that defines our school community .

In a world of rapid change and constant distraction, the role of education has never been more pivotal. Our institution remains steadfast in its mission not only to impart knowledge but also to inculcate the human values, professional ethics, and life skills necessary to navigate the challenges of the 21st century. We strive to foster an environment where every student feels valued, supported, and inspired to reach their full potential.

The 2025-2026 academic year has been filled with numerous achievements, from academic successes to excellence in co-curricular activities, sports, and community initiatives. These accomplishments, highlighted in the following pages, are a result of the collective dedication of our talented students and the relentless efforts of our committed faculty, who serve as mentors and role models.

We firmly believe that education is a collaborative journey. The unwavering trust and active involvement of our parents and the wider community are the cornerstones of our success. Together, we are shaping well-rounded individuals and responsible global citizens who will contribute positively to society.

As we celebrate the memories and milestones captured in this magazine, I encourage everyone to continue striving for excellence and to embrace the opportunities that lie ahead. Let this magazine be a beacon of inspiration, reflecting our shared commitment to learning and growth.

My heartfelt congratulations to the entire editorial team for their meticulous effort in bringing this wonderful magazine to fruition.

God Bless You All!

With best wishes,

MS SAUMYA ANUROOP SHARMA

(MEMBER OF MANAGEMENT)

MESSAGE FROM THE MANAGER'S DESK

It is a matter of pride to pen down the message for the 6TH edition of SANGHARSH "EK PRAYAAS", the annual school magazine. My heart fills with immense pleasure as I perceive the progress being made at Arwachin World School. Education is not just about the subjects that are learnt and taught in school. It is a life long exercise that can be exciting if we jump onto the train of experience and take a trip to every conceivable place on the earth. Creativity and imagination make children grow up to be productive adults.

We have a talented, dedicated, caring team of staff, each of whom works very hard to ensure that the abilities of the children in their care are nurtured well. Our teachers untiringly work as a team to make the school a very special place for a child.

Education brings a change from ignorance to enlightenment, despair to hope, sadness to joy and untruth to truth. It may bring a material change but without a spiritual change education will have no meaning. Education based on spiritual values fosters a holistic human growth.

May I sum up with the words of Leo Tolstoy. "**Everyone thinks of changing the world, but no one thinks of changing himself.**" Let each and every student and teacher be a leaven in the dough, creating an atmosphere of Love, friendship, tolerance, forgiveness, peace, joy, understanding, hope, determination, perseverance, responsibility etc.

I extend my warm wishes to the school's Head Mistress Ms. Mona Luthra, Editorial team and Students on the publication of magazine and I wish them to continue this journey on the road of excellence.

Warm Regards

MS PRABHA GARG
(MANAGER OF AWS)

MESSAGE FROM HEADMISTRESS'S DESK

"Challenge yourself; you may be surprised at what you're capable of achieving."

It gives me immense pleasure to connect with you through the vibrant pages of our student magazine, 'SANGHARSH 5.0. This platform is a testament to your creativity, intellect, and your collective spirit. I am continuously impressed by the talent and potential that thrives within our school community. In the realm of education, we often speak of books and classrooms, but it's essential to remember that learning transcends the boundaries of traditional settings. Our student magazine exemplifies this, offering a window into the diverse range of experiences, interests, and talents that make up our school. Education is not just about acquiring knowledge; it's about nurturing a mindset of curiosity, empathy, and innovation. I encourage you to use this magazine as a canvas for your ideas and as a stage for your voices to be heard. Express your thoughts, share your experiences, and inspire your peers. I firmly believe that every student here has the potential to achieve greatness. However, greatness isn't solely defined by the grades on your report card. It's also determined by your character, your compassion, and your contributions to the world around you. The pages of this magazine are a reflection of the diverse perspectives that make our school community strong. Embrace the differences, seek to understand, and appreciate the richness that diversity brings to our lives. Let it be a reminder that unity in diversity is one of our greatest strengths. As you read through the articles and admire the artwork within these pages, remember that you are part of a dynamic and forward-thinking community. Your ideas, your dreams, and your actions have the power to shape our future. I have no doubt that the future is brighter because of the young minds that grace our hall-ways. I look forward to seeing you all continue to learn, grow, and lead, both within the school and beyond. Your journey is just beginning, and I have full confidence in your ability to make a positive impact on the world.

Warm Wishes

WOMEN'S DAY

This day celeb and brilliance

Women's Day is celebrated to acknowledge the contribution made by women achievers in different fields. It is the day to recognize women unsung heroes who have been making commendable contribution towards nation building in their own unique ways.

On this day we celebrate strength, resilience, and brilliance of women around the world. Eleanor Roosevelt had once beautifully said, "A woman is like a tea bag - you never know how strong she is until you put her in hot water." Indeed, God has blessed every woman with so much potential. Unless she takes up challenges and tests herself, she will not realize her fullest potential. Woman is a wonderful creation of God with a special plan and purpose.

Woman's Day is not just a celebration but a reminder that there is a lot to be done for the welfare of women in society. It is about recognizing the contribution made by women in every segment of life - homemaker, teacher, entrepreneur, healthcare worker, scientist, etc. The contribution of women is significant in

This school has an impressive campus with a strong academic program with experienced faculty and all rounded curriculum. The teachers and staff are very cooperative.

The campus is modern and well-maintained with windows etc in classrooms. It has a library with vast collection of books and while at one side, there is also present another there is no playground but also with outing games picnics and all cover this up.

This school indulges in extra-curricular activities also. My child shows significant improvement in behaviour and learning new things.

I am very satisfied by the overall development of my child.

Feedback on Aravachin World School

We the guardians of 'Aarav' (student of II A) want to share the account to share the growth of our child at the school including various members viz. music teacher, Game Teacher, Yoga Teacher, Class Teacher and working with the students. It is evident that our child is a hardworking and disciplined student and always wants to learn more about various subjects.

The teachers are very approachable and possess the subject matter knowledge. My child's overall progress and his conduct that has been observed, are more than enough to put him at the top of the growth of our school.

The extra-curricular activities offered by the school is also impressive with a great way to let our children gain interest, develop skills and build teamwork among the students/peers.

It is highly commendable work by the school team and we are thankful and wish to continue the same till to reduce the learning environment in the school building.
