SUMMER VACATION HOLIDAY HOMEWORK

Summer brings sunshine, laughter, and cheer,
Time to learn and have fun all through the year!

Dear Students,

Summer vacation is a wonderful time to relax, refresh, and enjoy with your family and friends. It is also a perfect opportunity to discover new things, explore your interests, and use your creativity in meaningful ways.

Holidays are not only for fun and play, but also for learning in joyful ways. The holiday homework has been thoughtfully planned to help you revise what you have learned, develop new skills, and stay connected with your studies. Complete all the activities neatly and on time while enjoying your break.

Here are some simple ways to make your summer vacation enjoyable as well as productive:

- Speak in English as much as possible with your family and friends.
- Use the four magic words every day – *Please, Sorry, Thank You, and Excuse Me.*
- Help your parents with small household tasks like arranging your room, dusting, or watering plants.
- Read storybooks and share what you learn from them.
- Revise the topics covered in all subjects regularly.
- Do not use any classwork notebook for any holiday homework. Loose worksheets will not be accepted.
- Paste all the worksheets in their respective subject enrichment notebooks only.
- Practice yoga or any physical activity to stay healthy and active.

Let this summer be a perfect blend of learning, creativity, and fun. Enjoy your holidays and come back with happy memories and exciting experiences!
