Dear Parents,

Summer holidays are here to give us respite from the scorching heat. We hope that our children will enjoy their vacation time as well as hone their skills. Children learn through experiences and play. You can support them in gaining knowledge & understanding as well as strengthen the parent child bond in many ways.

Some things that as a parent you can do are –

- Encourage outdoor play in morning or evening time 🏃🌳
- * Make kids read story books daily 📖🌟
- * Involve them in fun art & craft activities 🎨✂️
- * Teach small life skills like folding clothes or watering plants 🌱
- * Limit screen time and promote creative play 🚫📱
- * Spend family time through games and storytelling 👨👩❤️
- * Let kids enjoy free play and explore new hobbies 🎵🧩
- * Plan short outings or nature walks for joyful learning 🌈🚶

Holidays are the time to enjoy and have fun, however it is good to devote sometime to keep your children involved in creative activities.
