CIRCULAR FOR CLASS IX

Dear Parents,

We would like to inform you about the curriculum framework for Class IX in accordance with the latest guidelines issued by CBSE and the recommendations of the National Education Policy (NEP) 2020.

Key Highlights of the Class IX Curriculum:

1. Three-Language Formula (As per the CBSE press release dated 29.6.2026)

Students will study three languages as part of the curriculum:

Language I/R1: English
Language II/R2: Hindi
Language III/R3: Sanskrit / French

2. Two level structure in Mathematics and Science (As per the latest CBSE Curriculum Part 1)

Compulsory for all students:

- Mathematics & Science

Optional:

- Advanced Mathematics & Science
- Meant for students who wish to study additional topics beyond the common syllabus

Note: A student securing 50% and above marks for the advanced optional exam shall have the achievement mentioned in the marksheet. However, the marks obtained will not be added to the overall aggregate or total score. In case, a student secures less than 50%, no mention of the Advanced Level will be made in the marksheet.

3. Social Science – No change in curriculum or assessment pattern.

4. Skill Education (Kaushal Vikas) - Skill-based education has been integrated into the curriculum to enhance practical knowledge, employability skills, and real-world understanding.

5. AI - To prepare students for a technology-driven future, Computational Thinking and Artificial Intelligence have been incorporated as compulsory learning components.

6. Art Education (Music, Dance, Theatre and Visual Arts) - Art Education is a compulsory subject and assessment will be conducted at the school level.

7. Physical Education& Well-being: Physical Education and Well-being form an integral part of the curriculum and will be assessed through school-based evaluation.

8. **Individuals in Society:** This subject emphasises multidisciplinary learning, constitutional values, environmental consciousness and development of rational and ethical reasoning.
