THEME: LEARNING THROUGH PLAY
JULY 2026

PRINCIPAL'S MESSAGE

Welcome to the first edition of our Pre-Primary Newsletter, a special glimpse into the joyful world of learning at Scholars Global School. This newsletter celebrates the curiosity, creativity, and early milestones of our young learners while strengthening the connection between school and home. We are delighted to share these memorable learning experiences and celebrate the confidence, creativity, and growth of every child.

LEARNING

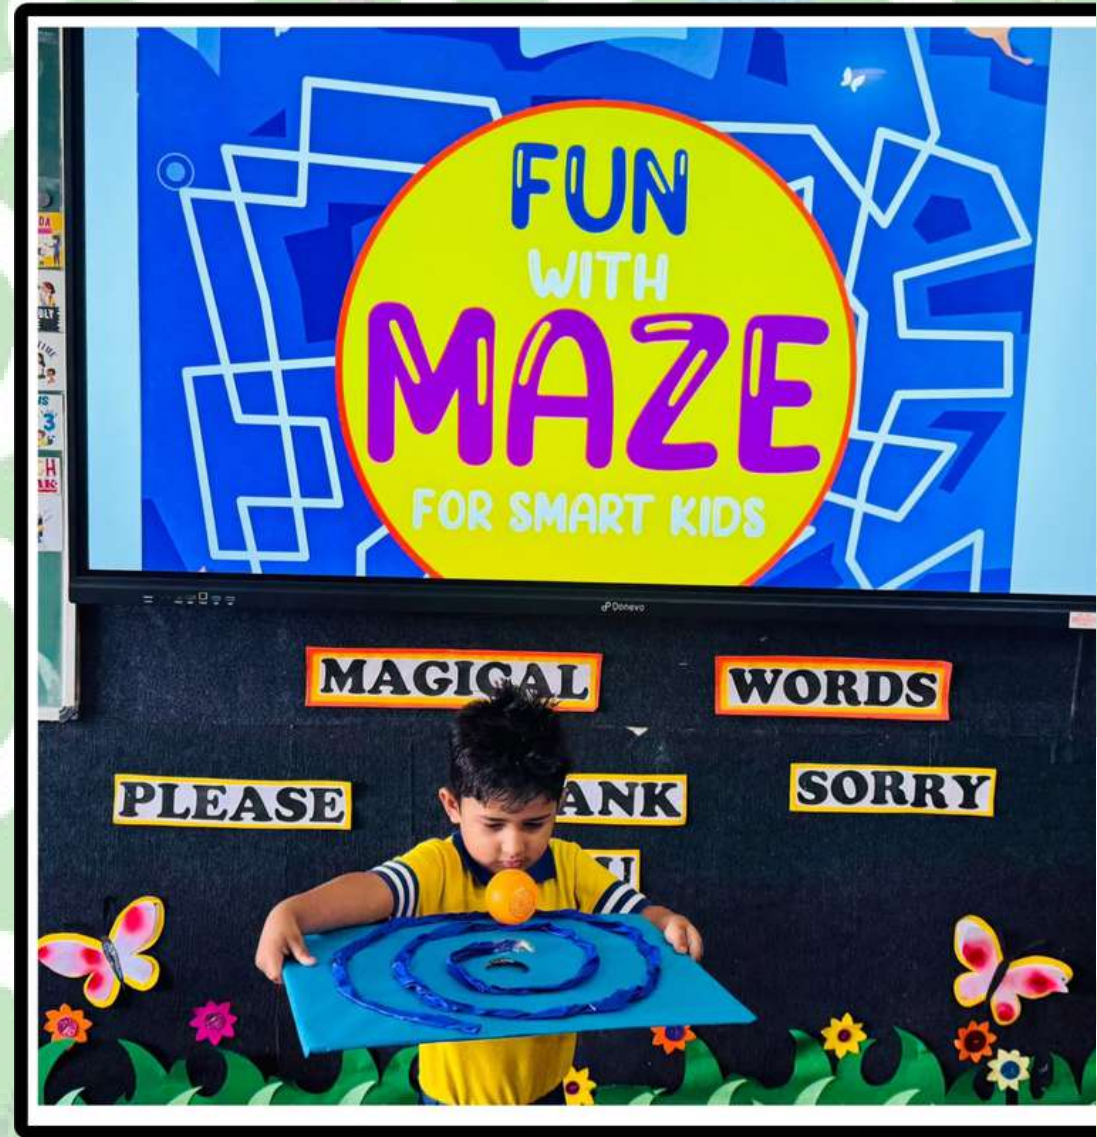

THROUGH PLAY

Our young learners explored the joy of learning through play by engaging in hands-on activities, storytelling, phonics, creative games, and role play. These experiences nurtured curiosity, creativity, communication, confidence, and problem-solving skills while making learning meaningful, enjoyable, and developmentally enriching.

CREATIVE

'C' CORNER

kinesthetic Sand Tracing

STUDENTS USED THEIR FINGERS TO TRACE THE CURVE OF THE LETTER 'C' IN TRAYS OF FINE SAND. THIS TACTILE EXERCISE BUILDS MUSCLE MEMORY, REFINES SPATIAL AWARENESS, AND ESTABLISHES VISUAL-MOTOR COORDINATION ESSENTIAL FOR FUTURE HANDWRITING WITHOUT THE PRESSURE OF A PENCIL.

Clay Sculpting

Rolling and shaping colorful playdough into the letter 'C' strengthened students' fine motor muscles and finger dexterity. As children molded the clay, they reinforced letter topology and shape recall through physical creation.

GREEN DAY CELEBRATION

"Plant today, breathe tomorrow."

"Think green before you act."

LEARNING BEYOND

THE CLASSROOM

OUR PARENT ENGAGEMENT PROGRAMME ENCOURAGED PARENTS TO ACTIVELY PARTICIPATE IN STORYTELLING AND ROTATIONAL TEACHING ACTIVITIES, MAKING LEARNING FUN AND INTERACTIVE. PARENTS ALSO SERVED AS JUDGES FOR CLASSROOM ACTIVITIES, STRENGTHENING THE HOME-SCHOOL PARTNERSHIP AND INSPIRING OUR YOUNG LEARNERS.
