

Dear Parents,
Warm greetings

After the hectic days of exams full of tension and stress, it's time to have fun and recharge for bearing the grind of next term.

We are delighted to share that Scholars will host a three day event- **"KATHA YATRA"** a celebration of imagination creativity & timeless joy of stories & books to help our kids to escape the humdrum and routine nature of life. This event is planned keeping in mind the fact that stories connect us to another world and elicit powerful emotional response in us and help us to be aware of history and culture. During this Yatra students will explore various dimensions and versatility of story telling i.e. Authors, plots, characters, scripts, talks, few cartoons, Indian mythology and many more.

Encourage your kids to read, explore & step into the magical world of stories where every page opens new doors to wonder wisdom & fascination.
