

Dear Parents,
 Warm greetings.

Parents are requested to kindly make a note of the following points:-

1. Children need to reach school by **8:00 am on 19-09-2026**, in their respective school buses/vans as per the route and timings.
2. Buses will reach their pick up spots accordingly.
3. Parents are requested to reach school grounds by **9:30 am**. They can click selfies and enjoy “**The Wild Swans**” theme based decoration. Program will start sharp at **10:00 am**.
4. Children will change their costume in their class rooms and can be received by parents from their respective **GREEN ROOMS** after the Grand Finale only. You can pick them from the room highlighted in the plan given overleaf.
5. No request of **early exit** will be entertained as it affects the program. When we respect systems and rules, we encourage our children to follow expected norms.
6. Green room plans details are overleaf.

Looking forward to your cooperation!

Best Regards
