#### **Workshop on Cyber Bullying**

Date: 16<sup>th</sup> July 2024

Classes:IX and X

A workshop on cyber bullying was conducted by Ankit Singh, an expert in cyber safety, for students of Class IX and X. The session covered the definition, forms, and impact of cyber bullying, along with preventive measures and response strategies. Students were educated on the importance of online privacy, recognizing signs of bullying, and the legal consequences for perpetrators. The interactive session allowed students to share experiences and ask questions, resulting in a highly informative and engaging experience that empowered them to handle cyber bullying effectively.

#### **Workshop on Sexual Harassment**

**Classes:XI and XII**

On 16th July, a workshop on sexual harassment was held for students of Class XI and XII. The session aimed to educate students on understanding, preventing, and addressing sexual harassment. Key topics included defining sexual harassment, recognizing inappropriate behavior, and understanding the psychological and legal impacts. The workshop emphasized the importance of consent and respectful behavior. Students were also provided with strategies for reporting incidents and seeking help. The interactive session encouraged students to ask questions and share concerns, making the workshop a highly informative and empowering experience.

These workshops were significant steps towards creating a safer and more respectful environment for students at Delhi Public School, Maruti Kunj.
