**HIE SUOMI QUIZ 2024 REPORT**

On 13th August 2024, a team of four students from DPS Maruti Kunj including Vivek Malik, Koonjal Singh, Anwesha Prusty and Naman Kathuria had the privilege of participating in the *Hei Suomi* 2024 inter-school quiz competition, which was held at the prestigious Instituto Cervantes in New Delhi.

The event was a special knowledge-based competition designed to spread awareness about Finland, its history, heritage, and cultural tapestry. It aimed to enrich students' understanding of Finland's contributions on the regional and global stage, especially in terms of innovation, sustainability, and leadership. The quiz was also a celebration of the 75th anniversary of Indo-Finnish diplomatic relations, highlighting the enduring ties between the two nations.

In recognition of their participation, all four students from DPS Maruti Kunj were presented with gift hampers by the Finnish Embassy. The hampers included a variety of souvenirs and infographic books, along with diaries about Finland, offering the students further insights into the nation's unique cultural and historical landscape.

*Hei Suomi* provided them with an opportunity to deepen their understanding of Finland, celebrate the strong diplomatic ties between them, and develop a global perspective. The event underscored the importance of cross-cultural awareness and international collaboration, key values that are integral to the education provided at DPS Maruti Kunj.
