

Report on Swachhata Hi Sewa Campaign 2024 at DPS Maruti Kunj

DPS Maruti Kunj observed the Swachhata Hi Sewa Campaign 2024 from 14 September to 2 October 2024, honouring Mahatma Gandhi's vision of cleanliness. The theme, "Swabhav Swachhata - Sanskar Swachhata," aimed to instill cleanliness as both a habit and value.

Key activities included hygiene awareness sessions for teachers by Dr. Charu Dutt Arora and the support staff. Selfie Point was set up to encourage pride in cleanliness, while students participated in poster-making and slogan writing. Younger students recited poems on cleanliness, adding creativity to the campaign.

On 1 October, a special assembly was held, featuring the Swachhta Shapath, article readings, a Nukkad Natak, and a cleanliness drive. Students also took part in a Prabhat Pheri, spreading the message of cleanliness to the surrounding community.

The campaign successfully promoted Gandhiji's principles of cleanliness and responsibility throughout the school.
