

## **Mathematics Week Celebration**

**Mathematics Week was celebrated at DPS Maruti Kunj from December 23 to 27 December 2024, in honour of the renowned Indian mathematician Srinivasa Ramanujan, whose birth anniversary falls on 22 December.**

**The week was filled with vibrant activities as students participated in various mathematical competitions, quizzes, and exhibitions showcasing their mathematical projects. They also delivered insightful speeches, highlighting the contributions of famous Indian mathematicians, making the event both educational and inspiring.**
