Date: 12.04.2022

DPS International
Parent Circular No. 11

Dear Parents,

As Covid cases are rising again in the city, we request you to pay attention to the following points

1. You are requested not to send your ward to school if your child has COVID like symptoms (fever, sore throat, runny / blocked nose, cough etc).

2. If a child is COVID positive, you are requested to inform the class teacher about the report on the same day

3. Wearing a mask is mandatory in the school.

4. All students have to carry their own sanitizers and extra mask to school.

5. All students must bring their own Lunch and water bottles and should not share with other students for the safety of all students.

Sravani Rao.
