DPS International
Parent Circular No. 55

Dear Parent,

Our school is participating in the 2022-23 STEM Innovation Olympiad **classes 3rd to 10th** to excel in the field of Science, Technology, Engineering and Mathematics. STEM combines all these four domains in an interdisciplinary and applied approach to better equip students to have a career and consider real-world applications. As STEM education has now become the backbone of the cutting edge of tomorrow's technology, the **STEM Innovation Olympiad** is an attempt to optimize the educational trajectory of students, while gaining a stronghold on the basics. The STEM Innovation Olympiad aims to train the youth of the future to hone their research capabilities and critical thinking, and hence check their mettle both on national and international scales.

One time Registration fee: Rs. 450/-
Last date of registration: 15th October 2022

Please note the exam for STEM Innovation Olympiad will be an ONLINE exam, and students will take the exam from their home.
