ASSEMBLY BY MISSOURI HOUSE

2nd - May

Missouri House presented a special assembly celebrating Eid-al-Fitr and Labour Day. The assembly moved from sharing several facts about the origin of Shramik Divas (Labour Day) to a song commemorating it.

The performers touched upon the pertinent topic of Child Labour which is still prevalent in today's modern age. To encourage discontinuance of such practices, students of X - A2 performed a Nukkad Natak with great passion and zeal.

The assembly then transitioned to its next phase: the celebration of Eid-al-Fitr! Here, the students of grade 8 divulged a number of fascinating facts about the festival and enriched the audience. An Azaan was performed by grade 6, followed by Namaz and sharing Iftari.

Next, Nayamat, Ananya and Parthivi presented a self-composed poem accompanied with drawing. Students of grades 6 and 7 put on a musical enactment honouring Labour Day, succeeded by a traditional Sufi dance. Continuing on this path of culture and tradition, a Qawwali was rendered which was the highlight of the assembly
