

Art Week 2025 Report

Art Week 2025 was celebrated with vibrant enthusiasm from **7th to 17th April**, embracing the theme **'Showcasing Diversity through Folk Arts'**. The event aimed to spark creativity and cultural awareness among students through a variety of engaging activities.

Highlights included **bookmark making, folk art drawing** and a **poster-making competition**, each designed to immerse students in India's rich artistic traditions like Madhubani, Warli and Pattachitra. Students from all grades participated with excitement, their faces beaming with joy as they brought colours, culture and imagination to life.

The school buzzed with creativity and laughter, reflecting the happiness and pride students felt in expressing themselves through art. The week not only showcased incredible talent but also nurtured a deep appreciation for India's folk heritage — proving once again that art speaks where words fall short.
