

Labour Day Assembly Report – Class IX B

. “All wealth is the product of labour.”

— John Locke

To commemorate the relentless efforts of workers and to instill in students the value of dignity of labour, Class IX B conducted a meaningful and engaging morning assembly on Labour Day. The programme unfolded with warmth and purpose, beginning with a gracious welcome by the comperes, Srinija and Bhawna, who set the tone by reminding everyone that no work is small and every contribution counts.

The assembly commenced on a spiritual note with the morning prayer, read by the respected Principal Sir, invoking blessings for the day ahead. This was followed by a thought for the day, delivered by Ridhi and Taniqha, which inspired the audience to embrace each day with positivity and respect for every role in society. To keep the gathering abreast with current affairs, a team of students presented the news headlines, followed by Arnav and Abhijet introducing the word of the day, enhancing the linguistic skills of their peers.

One of the most memorable moments of the assembly was a powerful skit titled “Dignity of Labour,” which depicted how students came to understand and appreciate the significance and Story of Labour Day highlighting the message that every job deserves respect. The assembly reached its crescendo with an inspiring address by Principal Sir, who encouraged students to always value hard work and maintain humility in their pursuits. To express gratitude, a thank-you card was presented to Principal Sir by the students, as a token of appreciation for his constant guidance and support.

In conclusion, the Labour Day assembly was not only a celebration but a reflection—a reminder that behind every comfort we enjoy stands a worker’s unwavering effort. The programme successfully conveyed a profound message with creativity, respect and a sense of social responsibility.
