

DELHI PUBLIC SCHOOL, DWARKA
ART INTEGRATED PROJECT
HOLIDAY HOME WORK
CLASS: VI (2025-2026)

Calendars are one of the most underrated necessities of our lives yet they remind us that every month need not be drab and monotonous. Things that are important to us are written in our calendars, so let's sit down and design our own.

Students will make a desk top calendar for the year 2025, with each page dedicated to one subject as per the following pattern –

- January & February - Hindi
- March - 3rd Language
- April & May - English
- June & July - Maths
- August & September - Social Sc.
- October - Computers
- November & December - Science

As per the guidelines issued by CBSE, under the theme of Ek Bharat Shrestha Bharat, this activity will be adjudged as an Art Integrated Project. The aim of this activity is to understand the culture, history, and popular locations of the island groups of India – Andaman & Nicobar and Lakshadweep.

Note:

- This will be the Subject Enrichment Activity of Term I for all subjects.
- General rubrics:
 - 1) Design and Presentation: 2 marks
 - 2) Content: 2 marks
 - 3) Timely submission: 1 mark

HINDI

- अंडमान निकोबार द्वीपसमूह तथा लक्षद्वीप की जनवरी-फरवरी महीनों की जलवायु, पर्यटन स्थल, खानपान, उत्सवों और वहाँ की वेशभूषा की संक्षिप्त जानकारी पर आधारित हिंदी अंकों तथा माह के नाम के साथ सचित्र पंचांग (Calendar) का निर्माण कीजिए।
- पंचांग का निर्माण करते समय आप इंटरनेट की सहायता ले सकते हैं।

FRENCH (Only for students with French as 3rd language)

- Make a calendar for the month of March in French. In the calendar students are required to mention one festival of Andaman and France.

GERMAN (Only for students with German as 3rd language)

- Make a calendar for the month of March in German, wherein students are required to mention one festival of Andaman and Germany.

SPANISH (Only for students with Spanish as 3rd language)

- The Japanese festivals include
 - Doll festival
 - Snow Festival
 - Cherry blossom festival etc
- The festivals can be beautifully drawn and depicted in the Calendar.

ENGLISH

April

Imagine you've recently visited the Andaman and Nicobar Islands. While exploring the beach, you came across several natural elements that contribute to the stunning scenery. List five things you observed at the beach and describe each using an adjective. Then, write one sentence for each to highlight the beauty of the islands.

Example:

Thing : Crystal-clear water

Adjective : Transparent

Sentence : The transparent water of the Andaman beach sparkled in the sunlight, revealing the vibrant marine life beneath the surface.

May

Island Haiku

Activity: Compose a haiku (a three-line poem in 5-7-5 syllable structure) describing the natural beauty and serenity of an island beach. You can paste or draw pictures inspired by natural beauty of the island.

MATHS

June

Symmetry in Tribal Art

Explore tribal art or local designs (e.g., Jarwa or Nicobarese art) and find examples of lines of symmetry.

Create your own symmetrical art piece inspired by these designs.

July

Geometry in Nature

Identify geometric shapes in natural and man-made structures in the islands (e.g., coconut trees - cylindrical, huts - cones/cylinders) and make a collage with labeled shapes.

SOCIAL SCIENCE

- The islands of Lakshadweep are a beautiful archipelago made of corals. Students are to -
 - Make a painting/sketch of underwater corals.
 - Present some facts related to the Latitudinal and Longitudinal location, Capital city, total number of islands and total human population of Lakshadweep.

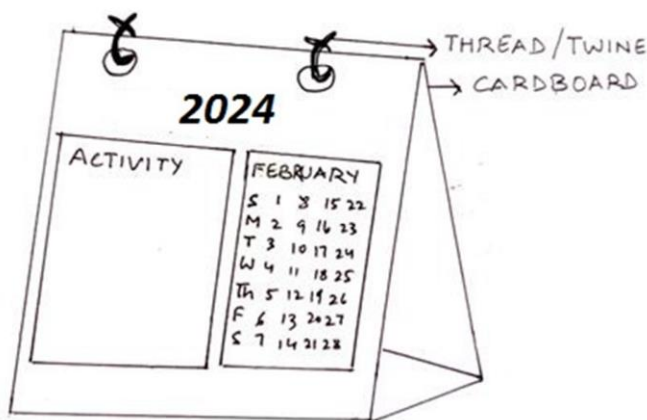

COMPUTER

- Festivals of Andaman and Nicobar Islands – The Andaman and Nicobar Island is area with a multicultural society. It enjoys a series of tourism, music and beach festivals.
- Find out the festivals celebrated in Andaman & Nicobar Islands in the month of October. Make calendar month October 2025 in MS Excel. Color and mark name of festival with dates in the calendar.
- Make collage of pictures of marked festivals and include it in the October month's calendar page.

SCIENCE

- Prepare one calendar page for plants and animals found in Andaman and Nicobar islands.
