

Report on Special Assembly – “Kaleidoscope”

Date: 13th May 2025

Venue: DPS Maruti Kunj

DPS Maruti Kunj celebrated a vibrant and memorable special assembly titled “**Kaleidoscope**.” True to its name, the assembly was a colorful reflection of the many events, assemblies, and memorable moments that marked the academic year.

The occasion was graced by esteemed chief guests: **Mr. Manoj Aggarwal from Administration, MEET; Mrs. Neha Gupta, Senior Manager at Maruti Suzuki; and Mr. S. K. Chitkara, Representative of MEET.** Their presence added immense value to the event, and their appreciation for the students’ performances was deeply encouraging.

The program was brilliantly anchored by the outstanding compere duo, whose energy, poise, and seamless coordination guided the audience through the sequence of performances with enthusiasm and flair. The morning began with a soulful prayer, inviting peace and positivity into the atmosphere. This was followed by a delightful choir performance that uplifted the spirit of the gathering.

A thoughtful reflection set the tone with the Thought for the Day, followed by an engaging Word of the Day presentation. One of the most energetic segments was the rap performance, which rhythmically recapped the year’s assemblies and major events with creativity and confidence.

The mood turned reflective with a moving Labour Day tribute song, acknowledging the tireless efforts of laborers and reminding everyone of the dignity in every form of work. The stage then transformed into a mini science lab during the Magic Show of Science, where fascinating chemical reactions blended education with entertainment.

A powerful Nukkad Natak (street play) on anti-bullying followed, performed with raw emotion and a clear message that encouraged empathy, kindness, and courage among peers. The cultural richness of the morning deepened with a stunning performance of the Hindustani Classical Orchestra, where students played Raag Vibhaas using traditional Indian instruments, immersing the audience in a world of melody and discipline.

This was followed by a vibrant and energetic dance performance based on the theme of Earth Day. Through expressive movements and dynamic choreography, the performance highlighted the importance of environmental conservation and our shared responsibility to protect the planet. The stage came alive with color, emotion, and purpose — a true representation of youthful creativity and awareness.

The assembly culminated with an inspiring address by the Principal, who applauded the efforts of the students, staff, and coordinators. He also thanked the dignitaries for their support and presence, encouraging everyone to continue striving for excellence. The event concluded with the National Anthem, a proud and unifying moment that brought the audience together in harmony.

Kaleidoscope was not just a summary of events — it was a celebration of the school’s spirit, talent, unity, and growth. The exceptional performances, enthusiastic participation, and impeccable hosting, along with the gracious presence of the chief guests, made this assembly truly unforgettable.
