Endeavour

On 22nd May 2025, the students of Class VI and XI inaugurated Crave Corner, a student-led restaurant initiative under the Entrepreneurship curriculum.

Aim

This experiential activity aimed to instill foundational business skills such as teamwork, presentation, and customer service. In the next phase, students will focus on costing, pricing, and business model development to deepen their entrepreneurial understanding.

Crave Corner reflects our
commitment to hands-on
learning and empowering
students with life-long skills
in enterprise and
innovation.
