## Activity Report – “Ek Ped Ke Naam”

Deep Public School organized the activity “Ek Ped Ke Naam” for students of Classes VI to VIII to encourage awareness about the importance of trees and to promote environmental conservation.

In this activity, students pledged to dedicate a tree to someone special — a family member, a friend, a teacher, or even to Mother Earth. They expressed their thoughts through short speeches, poems, and drawings, highlighting the vital role trees play in maintaining ecological balance.

The event inspired students to value and protect trees, fostering a sense of responsibility towards nature. It was a meaningful step towards instilling environmental consciousness and making our surroundings greener and healthier.
