Road Safety Awareness Workshop

The issue of road safety requires sensitivity, persistence, and continuous efforts to bring about behavioural change among drivers, enforcement officials, road agencies, and bystanders. In line with the CBSE initiative '*Sadak Suraksha Abhiyan*' (*Suraksha Reloaded*), the Disaster Management Committee of DPS Maruti Kunj organized a **Road Safety Awareness Workshop** on **18th and 19th August 2025** for students of **Nursery to Grade X**.

The workshop aimed to sensitize students about the value of life, the importance of road safety rules, and the need for responsible traffic habits.

Students were informed about traffic regulations and the significance of various traffic signs. Some short films under '*Sadak Suraksha ki Pathshala*' were also screened.

The workshop concluded with a questionnaire for the students of Grades VI–X, conducted by Rakshit Nandal, Rudra Malik and Divesh Chouhan of Class X, which encouraged active participation and reflection.

This initiative served as a significant step in instilling awareness and nurturing young students as responsible future citizens and agents of change.
