(Under the aegis of the Delhi Public School Society, Delhi)

ANTI-BULLYING INITIATIVES AT DPS MARUTI KUNJ

Ensuring a safe, inclusive and meaningful environment for all students is essential to foster equitable learning, as underscored by the **National Education Policy (NEP) 2020**. The Ministry of Education, Government of India, had issued “*Guidelines on School Safety and Security*” in 2021 in line with the provisions of the NEP 2020.

In keeping with this vision, **Delhi Public School, Maruti Kunj**, organized a series of awareness activities on **6th and 7th November 2025** to sensitize students about bullying and to promote empathy, inclusion and responsible behaviour among them.

Building a Bully-Free Zone: Glimpses of the Awareness Activities

- **Rally for Kindness**

The awareness drive began with the **young learners of Nursery to Class II**, who crafted vibrant placards carrying thoughtful messages on kindness and friendship. They participated in a rally within the school premises, joyfully spreading the message of compassion, care and cooperation.

- **Poster Designing and Slogan Writing**

On **6th November 2025**, students of **Classes III to V** displayed their creativity through a poster-making and slogan-writing activity. Their expressive posters and meaningful slogans beautifully conveyed the importance of empathy and unity in creating a bully-free school environment.

- **Special Assembly on Anti-Bullying**

A Special Assembly was held on **6th November 2025** by the students of **Class XI H1**. The assembly featured an article reading and a poem recitation. Students also took the collective Anti-Bullying Pledge to reaffirm their resolve to stand up against bullying in all its forms. The programme set the tone for the school's ongoing efforts to nurture a respectful and inclusive atmosphere.

• Anti-Bullying Workshop

A highlight of the initiative was the **interactive workshop** conducted for **Classes VI to IX and XI** on **6th and 7th November 2025**. The session was led by Rakshit Nandal, a student of Class X C, and Mehak Gupta, a student of Class IX E. Through engaging presentations, real-life scenarios and interactive discussions, they sensitized their peers to different forms of bullying and guided them on how to respond effectively and responsibly. The student presenters did a commendable job, making the session both informative and impactful.

The Anti-Bullying Workshop was graced by the esteemed presence of Mr. Manoj Agrawal, Administrator–MEET, Mr. S. K. Chitkara, MEET Representative, Principal Mr. Akhilesh Chandra Chaturvedi, and Vice Principal Mr. Vinod Papreja. Their presence greatly motivated the students and added significance to the occasion.

In his address, the Principal commended the sincere efforts of the students and emphasized the importance of standing united against all forms of bullying. He urged everyone to practice empathy, uphold mutual respect and work collectively towards fostering a safe and positive school environment.

These activities reflect **DPS Maruti Kunj's unwavering commitment** to promote empathy, respect and emotional well-being among its learners. The school continues to empower its students to become ambassadors of kindness and inclusion, ensuring that every child feels safe, valued and respected.
