

✨ Career Counselling Session with UPES | DPS Maruti Kunj ✨

Date: 1 December 2025

DPS Maruti Kunj hosted an enriching **Career Counselling Session** on 1 December 2025 for students of Classes XI and XII. The session was conducted by a representative from **UPES (University of Petroleum and Energy Studies), Dehradun**, a leading institution known for its futuristic and industry-focused programs.

The speaker introduced students to an exciting spectrum of **new-age undergraduate and integrated courses**, including:

- Artificial Intelligence & Machine Learning
- Cyber Security
- Cloud Computing
- Business Analytics
- Digital Marketing
- Law & Corporate Studies
- Aviation & Aeronautical Sciences
- Energy and Sustainability Programs
- Unique Tech–Management Integrated Degrees

Students gained valuable insights into **how emerging careers are shaping the future**, and how multi-disciplinary, skill-driven education plays a crucial role in professional success.

The UPES representative emphasized:

- 🎯 The importance of aligning career choices with aptitude and passion
- 🎯 The value of internships, live projects, and hands-on learning
- 🎯 The role of industry tie-ups and global exposure in building strong career pathways

The session saw enthusiastic participation, with students asking thoughtful questions about **admissions, scholarships, placements, and campus life**. Their curiosity reflected a strong interest in exploring diverse career opportunities.

Overall, the event proved to be **highly informative, interactive, and inspiring**, enabling students to broaden their horizons and take confident steps toward their future goals.
