

Echoes of Expression – Recitation with Action Activity

On **February 4, 2026**, the school successfully conducted "*The Echoes of Expression – Recitation with Action Activity*" for students of Classes VI, VII and VIII. Designed to foster self-confidence and eloquence, the event provided a platform for students to articulate their thoughts through the medium of poetry.

Participants brought verses to life using expressions and gestures, covering diverse themes such as *The Magic of Imagination*, *Nature & Environment*, and *Childhood & Innocence*.

The programme witnessed enthusiastic participation and healthy competition. It provided a wonderful opportunity for students to enhance their public speaking skills and explore their creative potential. More than just a recitation contest, the event was a celebration of confidence and theatrical flair.
