

REPORT ON CLASS ASSEMBLY
CLASS-VII-B
TOPIC-EARTH DAY

The special assembly on the occasion of **Earth Day** was conducted on **21st April 2026**, with great enthusiasm and a strong message of environmental awareness by the students of Class-VII-B. The assembly aimed to inspire students to take responsibility for protecting our planet.

The program began with a serene **Prayer**, invoking blessings for the well-being of Mother Earth and all living beings. It created a peaceful and thoughtful atmosphere, encouraging everyone to reflect on their connection with nature.

This was followed by a melodious **Choir Presentation**, where students sang a beautiful song highlighting the importance of saving the Earth. The song conveyed a powerful message about caring of nature, reducing pollution, and preserving resources for future generations.

The **Thought of the Day** emphasized the significance of environmental responsibility. It reminded everyone that small actions can make a big difference.

Next, the students presented the **NEWS headlines**, covering important national and international events, along with updates related to environmental issues and climate change.

An informative **Article** on Earth Day was then shared, explaining its importance, history and urgent need to address environmental challenges such as global warming, deforestation and pollution. The article encouraged students to adopt eco-friendly habits like saving water, planting trees and reducing plastic use.

The assembly continued with a heartfelt **Poem**, expressing love and concern for the Earth. The poem beautifully described nature's beauty and the consequences of human negligence, leaving a lasting impact on the audience.

The **Word of the Day** was 'Sustainability' meaning the ability to maintain and protect our environment for the future. The students also presented a melodious **Song** on the occasion of Earth Day.

The assembly concluded with a message encouraging everyone to take a pledge to protect the environment and make every day an Earth Day. The program was both informative and inspiring, leaving students motivated to contribute towards a greener and healthier planet.

In his **address** on Earth Day Assembly, Principal Sir, **Mr. Akhilesh Chandra Chaturvedi**, motivated the students in a thoughtful and inspiring manner. He encouraged them to understand the importance of protecting environment and made them realise that even small actions can create a big impact. He motivated students by giving simple examples such as saving water, switching off unused lights, avoiding plastic and planting trees.

The Assembly concluded with the **National Anthem**.
