

DELHI PUBLIC SCHOOL MARUTI KUNJ

Workshop Report

Career Guidance and Higher Education Workshops for Class XI & XII Students

Dates: 6 May – 7 May 2026

Classes: XI & XII

The school organized a series of informative workshops for students of Classes XI and XII with the objective of providing guidance regarding career opportunities, higher education pathways, admission procedures, and creative design courses. Experts from reputed institutions interacted with students and addressed their queries, helping them make informed academic and career decisions.

Day 1 – 6 May 2026

1. Career Guidance Workshop by University of Petroleum and Energy Studies (UPES)

Time: 9:00 AM – 11:00 AM

A comprehensive career guidance session was conducted by representatives from UPES. The workshop focused on helping students understand emerging career opportunities and the importance of choosing suitable academic pathways based on their interests and aptitude.

Key Highlights:

- Introduction to diverse career options in fields such as engineering, management, law, media, liberal studies, and technology.
- Guidance on skill development and future-ready careers.
- Discussion on industry trends and the growing importance of interdisciplinary education.
- Interactive question-and-answer session where students clarified doubts regarding career planning and higher education.

The session was highly engaging and encouraged students to explore career opportunities with greater confidence and clarity.

2. Admission Procedure Session by YES Germany

Time: 11:00 AM – 1:00 PM

Following the career guidance workshop, experts from YES Germany conducted an informative session on admission procedures for higher education opportunities in Germany.

Key Highlights:

- Detailed explanation of admission requirements for German universities.
- Information regarding eligibility criteria, application timelines, and required documentation.
- Guidance on language proficiency tests and preparatory courses.
- Discussion on scholarships, student visas, and the benefits of studying in Germany.
- Students were informed about affordable education opportunities and global career prospects.

The session provided valuable insights for students aspiring to pursue international education and broadened their understanding of global academic opportunities.

Day 2 – 7 May 2026

Design Courses Workshop by Indian Institute of Art and Design (IIAD)

A workshop on design education and creative careers was conducted by IIAD for the students of Classes XI and XII.

Key Highlights:

- Introduction to various design disciplines including fashion design, interior design, communication design, and product design.
- Discussion on creativity, innovation, and career opportunities in the design industry.
- Information about portfolio preparation and admission procedures for design institutes.
- Interactive activities encouraged students to think creatively and express their ideas visually.
- Students gained awareness about the evolving scope of design as a professional career.

The workshop inspired students to explore creative fields and understand the importance of design thinking in today's world.

Conclusion

The workshops conducted over the two days proved to be highly informative and beneficial for the students of Classes XI and XII. The sessions provided practical guidance regarding career planning, higher education opportunities in India and abroad, and emerging creative fields. Students actively participated in the discussions and gained valuable insights to help them make informed decisions about their future academic and professional journeys.
