# INSTRUCTIONS

Dear Students,

Summer Vacation is probably the best time of the year for you all; it's time for loads of fun, though we can't go out but getting jampered to no end and of course bonding with distant cousins can be done virtually. School is fun too, with learning happening at all times, summer vacation can also be a time for learning with lots of activities around.

Here are a few tasks for you to complete during the vacation. Do remember to complete the given tasks after reading them carefully.

## Some Tips to make this holiday special:

Have a family dinner every day and try to incorporate healthy food in the meal.

Restrict his / her screen time and include various physical activities.

Play board games with your parents and siblings and show them who is the smartest.

Spend some quality time with an elderly person in the family.

Encourage your ward to speak in English.

Develop self help skills: Let your child dress and feed on his /her own.

Revise the syllabus for all the subjects done till the month of May.

Have a safe, happy  
and healthy vacation!
