

Greenway Modern School
Summer Vacation Holidays Homework

Session : 2026-27

Class – VII

MESSAGE FOR STUDENTS

Dear Students,

“The beautiful thing about learning is that no one can take it away from you.”

— **B. B. King**

Summer Vacation is a time to relax, enjoy, and learn new things. The holiday homework prepared by your teachers is designed to make learning fun and creative.

Use your holidays wisely by reading books, helping your parents, playing outdoor games, and spending quality time with family and friends. Learn something new every day and complete your work neatly and sincerely.

Enjoy your holidays and keep smiling!

MESSAGE FOR PARENTS

Dear Parent

Vacation is a wonderful opportunity for children to relax and grow through new experiences. Your support and encouragement can make this time more meaningful and productive.

A Few Suggestions:

- Encourage reading and speaking in English.
- Involve children in small household activities.
- Promote outdoor games and creative hobbies.
- Spend quality family time together.
- Encourage respect and bonding with elders.

Let us work together to make these holidays joyful, healthy, and full of learning.

Happy Summer Vacation!
Stay Safe • Stay Healthy • Keep Learning

ENGLISH

Summer holidays bring a refreshing break from the busy school routine and give us a chance to relax, explore, and learn in new and enjoyable ways.

Complete all the given activities neatly.

- **Author display card** 

Make a display card (A4 size) on authors like Ruskin Bond, R K Narayan or Rabindranath Tagore, listing their birth date, works, and awards.

- **Passport to words** 

Create a “passport-style booklet” titled Passport to Words, showcasing at least 10 English words that are borrowed from other languages.

Include

1. The English Word
2. Language of Origin (e.g., Hindi, French, Arabic)
3. Meaning
4. Use in a Sentence

Example

Word: Jungle

Origin Language: Hindi

Meaning: A dense forest

Use in Sentence: The explorer got lost in the thick jungle.

- **Design your Bookmark** 

Design a creative bookmark featuring an inspirational quote .

- **Book cover page** 

Read a book of your choice and Draw a creative cover page.

Include:

Book Title

Author Name

A relevant drawing (scene/character from the book)

A short tagline

.....

HINDI

1. हास्य व्यंग्य की कोई एक घटना को आधार बनाकर दो मित्रों की बातचीत को संवाद के रूप में लिखिए ।
2. भारत के कुछ अविष्कारों पर आधारित प्रेरक पंक्तियों का आधार बनाकर पृष्ठ स्मृति का निर्माण कीजिए ।
(कोई दो)
3. पर्यायवाची और विलोम शब्द याद कीजिए ।
4. सोन चिरैया और व्याकरण के पाठ एक और दो याद कीजिए ।
5. प्रतिदिन पांच कठिन शब्द एवं 20 सुलेख लिखिए। (अतिरिक्त कॉपी)

SANSKRIT

- गतिविधि – 1 (सूक्ति वृक्ष)

संस्कृत पुस्तक नई दीप मणिका में से सूक्तियां लेकर स्कैप फाइल में सूक्ति वृक्ष बनाए।

- गतिविधि –2 (राष्ट्रीय आदर्श वाक्यानि संकलनम्)

हमारे देश भारत के सरकारी कार्यालयों व संस्थानों के लिए राष्ट्रीय आदर्श वाक्य निश्चित है। जैसे:- उच्च न्यायालय - यतो धर्मस्ततो जयः

किन्हीं दस संस्थानों के राष्ट्रीय आदर्श वाक्यों का संकलन कर स्कैप फाइल में लिखें व संस्थान का चित्र भी लगाए।

- पढ़ाए गए पाठों को याद करें।
- शब्द रूप व धातु रूप याद करें।

MATHEMATICS

ACTIVITY 1

- **What to do**

Mark two 2×2 squares in the given calendar with different colours. Consider the numbers lying on the diagonals of each square. Find the sum of the numbers. What do you observe ? Write your observation.

- **Where to do:** Make it on A4 size Pastel sheet.
- **Parameters:** Neatness, Accuracy, Presentation.

June 2026						
Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30					

ACTIVITY 2

- **What to do**

Take a plain square sheet of paper and start your activity as instructed in questions.

- **Where to do:** Make it on A4 size Pastel sheet.
- **Parameters:** Neatness, Accuracy, Presentation.

Q-1. How would you describe the opposite edges of the sheet?

They are _____ to each other.

Q-2. How would you describe the adjacent edges of the sheet?

The adjacent edges are _____ to each other. They form _____ angles.

Q-3. Fold the sheet horizontally in half. A new line is formed.

How many parallel lines do you see now? How does the new line segment relate to the vertical sides?

Q-4. Make one more horizontal fold in the folded sheet. How many parallel lines do you see now ?

Q-5. What will happen if you do it once more? How many parallel lines will you get ?

Q-6. Make a vertical fold in the square sheet. This new vertical line is _____ to the previous horizontal lines.

WORKSHEET 3

[Chapter 1 and 2]

- **Where to do :** In assignment notebook.
- **What to do :** Paste the worksheet in assignment notebook and do the solution in notebook.
- **Parameters :** Neatness, Accuracy.

Q-1. How many lakhs are there in 76 million?

Q-2. Solve the following by rounding off each number to nearest thousands:

a) $1,85,874 + 3,42,478$

b) $21,98,763 - 1,54,936$

Q-3. Find quick ways to calculate these products.

a) 64×125

b) $4 \times 1325 \times 25$

Q-4. Multiply a 5-digit number and a 3-digit number. How many digits does the product have?

Q-5. If $34 \times 31 = 1054$, find 35×31 efficiently.

Q-6. Use multiplication shortcuts to solve

a) 101×47

b) 199×52

Q-7. A robot climbs 8 floors during day but slides down 2 floors at night due to battery loss. The tower is 50 floors high. In how many days will the robot reach or cross the top?

Q-8. The Eiffel Tower is approximately 339 metres tall. If each brick used in its construction is 20 cm thick, how many bricks would need to be stacked to match its height?

Case Study Based Question

Mount Everest is about 8850 metres high. The tip of Burj Khalifa in Dubai is 830 metres. It has 163 floors. Find the height of each floor. Some more floors can be added in Burj Khalifa to reach the Mount Everest.

On the basis of this information, find

- (a) Height of each floor of Burj Khalifa.
- (b) Height of Mount Everest.
- (c) Total floors equal to the height of the Mount Everest.
- (d) Number of floors to be added to the existing 163 floors.

SCIENCE

Research-based project

- Roll number wise project work has been allotted.
- Collect data from at least 10 families. (neighbours/ relatives)
- All work will be done on A-4 size sheet .
- Submit your work in a transparent folder.

● Roll no 1 to 13

Topic:- A Check on Pollution Around Us

Formulate Research Questions:

- What type of pollution is most common in your area?
- What are the major sources of pollution?
- How does pollution affect human health?
- Is there excessive vehicle smoke in the area?
- Is garbage properly disposed of?
- Is there noise pollution due to traffic/loudspeakers?
- Is clean drinking water easily available?
- What steps do families take to reduce pollution?
- Which pollution problem needs immediate attention?

Prepare Survey Parameters:

Parameter

Air Quality
Water Quality
Noise Level

Observation

Clean / Dusty / Smoky
Clean / Dirty / Wastewater nearby
Low / Medium / High

Garbage Disposal

Proper / Improper

Vehicle Pollution

Low / Moderate / High

Green Cover

More Trees / Few Trees

Public Awareness

Aware / Not Aware

• **Roll.no 14 to 26**

Topic – A Study on Child Labour Around Us.

Formulate Research Questions.

- What is child labour?
- Why are children forced to work?
- In which places is child labour commonly seen?
- How does child labour affect a child's education and health?
- Are people aware that child labour is illegal?
- What are the major causes of child labour?
- Have you seen children working in shops, factories, or houses?
- Which action should be taken immediately?

Prepare Survey Parameters:

Parameter

Observation

Awareness about Child Labour

Aware / Not Aware

Children Working Nearby

Yes / No

Type of Work Seen

Shop / House / Factory

Education Access

Going to School / Not Going

Family Financial Condition

Stable / Poor

Knowledge of Law

Aware / Not Aware

• **Roll number 27 to 39**

Topic – A Study on Food Conservation

Formulate Research Questions:

- What is food conservation?
- Why is saving food important?
- How much food is wasted daily in homes?
- What are the major reasons for food wastage?
- How can leftover food be reused?
- How does food wastage affect the environment?

- What steps can families take to save food?

Prepare Survey Parameters:

Parameter

Food Wasteage at Home
Leftover Food Usage
Food Storage Method
Awareness about Food Conservation
Buying Habit
Donation of Extra Food
Kitchen Waste Management

Observation

High / Medium / Low
Reused / Thrown Away
Proper / Improper
Aware / Not Aware
Need-based / Excessive
Yes / No
Proper / Improper

- **Roll number 40 to 52**

Topic – A Study on World Ocean Day

Formulate Research Questions:

- Why is World Ocean Day celebrated?
- Why are oceans important for life on Earth?
- How does ocean pollution affect marine life?
- What are the major causes of ocean pollution?
- How can we help protect oceans while living far from the sea?

For all above topics after survey

- **Collect Data:** Gather relevant information using surveys, interviews, observations, photographs (if possible), newspaper reports, internet research, and discussions with elders.
- **Draw Conclusions: Summarize your findings:** • **What did you learn from the survey?**

Slogan Writing (Roll no 1 to 26)

- ON Waste Management on A-4 size

Poster (Roll no 27- 52)

- On Use of Technology in Agriculture

(The best-selected poster/Slogan will be officially nominated to represent our school at the CBSE Regional and National Level Science & Arts Exhibitions.)

- **Assessment will be done on**

❖ **Neatness**

- ❖ Creativity
- ❖ Presentation
- ❖ Submit on 1st day after vacation.

UPLOAD YOUR WORK ON GO SHARPENER APP WITH #

SOCIAL SCIENCE

1. Make a colorful travel brochure of India highlighting different geographical regions.
 2. Draw or paste symbols/emblems of various early kingdoms. (On A-4size sheet)
 3. Compare the weather conditions of two Indian cities and present in a table.
 4. Present art/music/dance forms from the Gupta period. (Make a file of at-least 5-6 pages)
 5. Revise PT-1 Syllabus
-

COMPUTER

1. Create HTML Pages as follow:

a) Create an Index/Home page with given links – Images, Table, Form, List, Audio & Video.

b) Create pages for

Image -- Insert Family Pic

Table -- Create Class Timetable

Audio & Video – Insert your favorite song and family video

List – Create Ordered & Unordered List of your likes and dislikes

Form – Create Registration Form

Link every page to Index page/Home page.

(Every page should have Index button at the end of the page.)

Paste screenshot of code and output of all pages and paste it in computer notebook

2. Draw a **comic strip** showing a day in the **life with AI assistants** (Alexa, Siri, Google Assistant)
 3. Revise Ch – 6 & 7
-

ART & CRAFT

Artificial Flower rangoli size A2

FRENCH

1. 📷 “J’ai” Photo Diary: Take photos of summer activities and write sentences using “J’ai...” (I have...) or “Je suis...” (I am...) to describe them.
2. 🗼 French Monuments Collage: Make a collage of famous French monuments on an A3 sheet.
3. 📝 Daily Verb Practice: Write one French verb and its complete conjugation every day. (Minimum: 35 verbs in the notebook)
4. 📄 Worksheet Completion: Students must complete the French worksheet.
