Dear Parent,
Greetings!

Please note that the **Assignments** have started. You are requested to take a note of the following:

- According to the Weekly Test policy a child can be picked up by the parent after the test only if advised by the School Doctor. **Kindly note that the marks of the Test will not be considered if the child is taken back on the day of a Test.** However, if early leave is required for any inadvertent reason, a notice of **3 working days** is expected, to enable us to issue a gate pass for children to proceed for early leave.
- Also note that students are **not allowed to carry Mobile phones/Electronic gadgets/Smart watches in the school.** If such objects are found in the possession of a child in school, the same will be confiscated for the entire academic year. However, in case of an emergency, parents may send a note seeking permission to carry the mobile phone. The students **must** handover the gadget to the HRT or the Subject teacher in the beginning of zero period and take it back at the time of dispersal. **Clicking photographs in the school or posting these on social media, is strictly prohibited.** Failure to comply with this, will lead to strict disciplinary action.

Looking forward to your co-operation.
