Dear Parents,

This is a gentle reminder regarding the circular shared earlier on **May 15, 2026 & July 07, 2026** about **Non - Acceptance of items in the school office.**

As communicated earlier, the school office does not accept any student belongings after the commencement of the school day.

This includes tiffin boxes, water bottles, notebooks, stationery, projects, uniforms, or any other personal items.

Parents are requested to ensure that their ward carries all essential items before leaving for school each day.

- **Encourage responsibility, discipline, and self-management among students.**
- **Ensure the smooth functioning of the school office during academic hours.**
- **Maintain the safety and security of all students.**

Kindly note that the school security personnel and office staff have been instructed not to accept or deliver any such items during school hours.

We sincerely request your cooperation and support in adhering to this policy.

Your understanding will help us provide a safe, disciplined, and well-organized learning environment for all students.

Regards,

Seema Roy
