Dear Parents,

Greetings!

We are pleased to inform you that our students will be presenting, '*Kalam Se Kalaam Tak*, a play based on the inspirational life of Dr Abdul Kalam, the missile man of India during our Annual Presentation to be held in October this year. This performance holds great importance in the history and culture of India, and we are excited to give our students the opportunity to showcase their talent on this grand platform.

We believe that participation in such events not only aids in the overall development of our students but also helps them gain exposure to the world of classical music, acting and dance. We strongly encourage your child to participate and be a part of this memorable experience.

In order to ensure a successful performance, we will require the students to wear appropriate costumes, accessories, and makeup.

NOTE:

- The cost for these would be Rs. 2500/- (Rupees Twenty-Five Hundred Only) for one child.
- If 2 siblings are participating, then the second child will pay Rs.2000/- (Rupees Two Thousand Only)
- If 3 siblings are participating, then the second sibling will pay Rs.2000/- (Rupees Two Thousand Only) and the third sibling will pay only Rs. 1500/- (Rupees One Thousand only)
