

DELHI PUBLIC SCHOOL GREATER NOIDA

Circular for Classes VI–VIII

DPSGN/2026-27//11

July 30, 2026

Subject: Invitation to Enrol in the Artificial Intelligence Learning Programme

Dear Parents,

In keeping with the National Education Policy (NEP 2020) and our commitment to providing future-ready education, the school is pleased to introduce – **the Artificial Intelligence Learning Programme** for students of **Classes VI to VIII**.

The curriculum progressively aims to develop students' understanding of Artificial Intelligence, Python programming, Machine Learning, Computer Vision, Natural Language Processing, Data Science, and Responsible AI.

Students will also have opportunities to participate in AI projects, Hackathons, and Certification Programmes.

Program Overview & Curriculum:

- The curriculum is designed to transition students from Consumers of technology to Creators, using a spiral learning approach:
- Focuses on Foundational AI, Python coding, and Robotics.
- Students will engage with hands-on projects using mPython boards and sensors to build real-world prototypes like home automation systems.

This programme offers an excellent opportunity for students to build future-ready skills while exploring one of the most exciting and impactful fields of the 21st century.

An **online Orientation Session** for the programme will be held on **Saturday, 01 August 2026, at 11:00 a.m.** through the **Microsoft Teams** platform. *The meeting link will be shared with interested parents who submit their consent to attend the session.*

Kindly click on the link below to confirm your attendance for the Orientation session.

We look forward to your wholehearted support in empowering our students with the skills of tomorrow.

Warm regards,

Principal
