

Education Today: Recognising Student-Centric Education

On 10th September 2026, JM International School, Dwarka was honoured by Education Today for its exemplary contribution to the field of education and recognised for its commitment to Individual Attention to Students.

The recognition celebrates the school's student-centric approach, where every learner is understood, supported and encouraged to realise their unique potential. It reflects the dedicated efforts of the teaching fraternity to provide personalised guidance and create an inclusive learning environment. The honour reaffirms JM International School's belief that every child deserves to be seen, heard and nurtured.
